FOR FISCAL YEAR 2019-20**

**WHEREAS**, in November 24, 1992, the Board of Supervisors of the County of Sacramento, pursuant to Title 3, Division 2, Part 2, Chapter 2.2 of Government Code (the "County Service Area Law"), and Resolution 92-1766 ordered the formation of County Service Area No. 5 (the "CSA 5"), and on July 27, 1993, adopted County Ordinance 1418 (the "Ordinance") providing a procedure for collection of service charges for certain miscellaneous services (the "Services") within CSA 5, which is located in the Laguna West area; and

**WHEREAS**, on December 15, 2003, the Laguna West area was annexed to the City and the City was authorized pursuant to Resolution No. 1261 to administer CSA 5, now known as the Laguna West Service Area, and continue to levy the service charges utilizing the procedures provided in Government Code section 25210.77a; and

**WHEREAS**, the City Council is required to hold a public hearing annually to approve a revised Annual Report with updated budgets for the upcoming Fiscal Year; reserve balances for each category of Services; and Assessor's Parcel Numbers that will be subject to the proposed service charges within the Service Area; and

**WHEREAS**, the City has retained NBS for the purpose of assisting with the annual levy of the Laguna West Service Area, and the preparation and filing of an Annual Report; and

**WHEREAS**, through the adoption of Resolution No. 2019-090 at its meeting on May 8, 2019, Council approved the annual report for the Laguna West Service Area for Fiscal Year 2019-20, which will see no increase in direct levies over those in Fiscal Year 2018-19; and

**WHEREAS**, through the adoption of Resolution No. 2019-091 at its meeting on May 8, 2019, Council declared its intention to hold a Public Hearing on June 12, 2019 at 6:00 p.m. or as soon thereafter as feasible, concerning the levy and collection of service charges within the Laguna West Service Area for Fiscal Year 2019-20; and

**WHEREAS**, following published notice of public hearing and at the time and place specified in the Resolution of Intention adopted by Council on May 8, 2019, Council conducted a public hearing on June 12, 2019 and considered all objections to the service charges.

**NOW, THEREFORE BE IT RESOLVED** by the City council of the City of Elk Grove as follows:

**Section 1. Confirmation of Service Charges and Diagram.** The Council hereby confirms the service charges and the diagram as is described in full detail in the Annual Report attached hereto as Exhibit A and incorporated herein by reference.

**Section 2. Levy of Service Charges Assessment.** The adoption of this resolution shall constitute the levy of a service charges for the fiscal year commencing July 1, 2019 and ending June 30, 2020.

**Section 3. Ordering of the Levy.** The Council hereby orders the City, in coordination with its contracted consultant for finance district administration services, NBS, to prepare and submit the levy of service charges to Sacramento County for placement on the Fiscal Year 2019-20 secured property tax roll.

# 1. INTRODUCTION

---

In 1993, the Sacramento County Board of Supervisors, under the County Service Area Law (Government Code Section 25210 and following) (the “CSA Law”), formed County Service Area 5 (the “CSA 5”), now known as the Laguna West Service Area. In December of 2003, the Laguna West Service Area was annexed into the City of Elk Grove (the “City”).

Annually, the City orders the preparation and filing of the annual report (the “Report”) for the Laguna West Service Area. The Fiscal Year 2019/20 Report presents the plans and specifications describing the general nature, location and extent of the improvements to be maintained, an estimate of the costs of the maintenance, operations and servicing of the improvements, a diagram showing the area and properties to be charged, and an allocation of the estimated costs of the maintenance, operations and servicing of the improvements.

The following table summarizes the proposed service charge to be authorized in order to pay the Fiscal Year 2019/20 estimated costs of maintenance, operation, and servicing of the improvements, along with annual administrative costs, to be paid by the real property in proportion to the cost of service attributable to each parcel:

Area	FY 2019/20 Service Charge
Laguna West Service Area	\$61,203.54

## 2. OVERVIEW

---

### 2.1 Introduction

On November 24, 1992, the Sacramento County Board of Supervisors formed CSA 5 to fund certain miscellaneous extended services to the territory known as Laguna West. The services funded by CSA 5 were and still are unique to the Laguna West Service Area and include street sweeping, road maintenance, drainage control, and associated administration. These miscellaneous extended services are funded with a service charge that appears as a direct levy on the property tax bill of the property owners in the Laguna West Service Area.

In December of 2003, the Laguna West Service Area was annexed into the City. In the Sacramento Local Agency Formation Commission's Resolution 1261, CSA 5 was dissolved and the service responsibility and funding was transferred to the City pursuant to Government Code section 56886(m)(t). Because of this action, the City continues to levy the Laguna West Service Area service charges previously authorized for CSA 5.

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own Assessor's Parcel Number by the Sacramento County Assessor's Office. The Sacramento County Auditor-Controller uses Assessor's Parcel Numbers and specific fund numbers for property tax roll identification of those properties subject to special charges.

The purpose of this Report is to provide information regarding the proposed Fiscal Year 2019/20 service charges for the Laguna West Service Area. The Laguna West Service Area boundaries include property, which is primarily residential development along with some non-residential parcels.

As part of the annual service charge process, the City conducts a public hearing and considers a resolution to continue the service charges for Fiscal Year 2019/20. Following consideration of public comments received at a noticed public hearing, and following review of the Report, the City Council may confirm the Report as submitted and order the levy and collection of service charges for Fiscal Year 2019/20. If approved, the Laguna West Service Area service charge information shall be submitted to the Sacramento County Auditor-Controller, and included on the property tax roll for each benefiting parcel for Fiscal Year 2019/20.

### 2.2 Description of the Laguna West Service Area Boundaries

The Laguna West Service Area is located within Sections 25 & 36, Township 7 North, Range 4 East, and Sections 29, 30, 31, and 32, Township 7 North, Range 5 East, Mount Diablo Base and Meridian, as shown on that certain Record of Survey entitled, "A Portion of Sections 25 and 36, Township 7 North, Range 4 East, and A Portion of Sections 29, 30, 31, and 32, Township 7 North, Range 5 East, Mount Diablo Base and Meridian," recorded in the Office of the Recorder of Sacramento County in Book 33 of Surveys at Page 20, described as follows:

Beginning at the intersection of the Northerly boundary of said Record of Survey with the Easterly right-of-way line of Interstate 5; thence, from said point of beginning along said Northerly boundary North 89°34'22" East 6804.90 feet; thence, North 89°34'22" East 1871.40 feet to the Easterly Boundary of said Record of Survey; thence, along said Easterly Boundary South 05°37'28" East

5312.88 feet to the Southeast corner of said Record of Survey; thence, along the Southerly boundary of said Record of Survey the following three (3) courses: 1) South 89°34'58" West 2,357.63 feet; 2) South 89°34'45" West 2,655.27 feet; and 3) South 89°40'33" West 3,310.92 feet to the Easterly right-of-way line of said Interstate 5; thence along said Easterly right-of-way line North 09°37'18" West 4486.10 feet; thence, North 08°11'22" West 863.83 feet to the point of beginning.

## 2.3 Description of Services

A general description of the services to be provided within the Laguna West Service Area includes, but shall not be limited to the following:

- Street Sweeping
- Road Maintenance
- Drainage Service
- Administration

Street sweeping includes sweeping that is over and above what is normally provided by the City. This additional street sweeping is required in the Laguna West Service Area due to the many trees planted in tree wells and other trees planted close to the narrow streets. These tree wells require hand sweeping because machines cannot sweep around and in the corners of the tree wells.

Increased road maintenance is required because the tree roots in the tree wells along the streets cause maintenance problems in the pavement, curbs, gutters, and sidewalks. In addition, the Laguna West development uses different types of paving, including paving stones, which are non-standard and more costly to maintain than other types of paving such as asphalt and concrete.

Drainage services, in the form of water quality monitoring and drainage maintenance for the Laguna West Lake, are also required because the Laguna West Lake is used for drainage detention and treats urban runoff from the Laguna West Service Area. The purpose of the water quality monitoring is to determine whether the storm water treatment system is operating in compliance with the Water Quality criteria established by the Laguna West Urban Runoff Treatment Program. This program monitors the storm water discharge from the Laguna West Service Area for the protection of the downstream receiving waters including the Stone Lake National Wildlife Refuge. The primary control measure of the storm water treatment system consists of a 73-acre lake and a one-acre water quality pond that receive runoff from approximately 664 acres of residential and commercial properties. Monitoring activities include analyses for priority metals, pesticides, nutrients, and bio toxicity. The purpose of the drainage maintenance is to provide maintenance for the partially submerged pipe system that exceeds the maintenance required for the rest of the City.

Administration services include the costs for the City to account for the Laguna West Service Area funds, as well as providing for the annual calculation of the service charges, preparing the annual written report, and placing the annual service charges onto the property tax bills.

## 3. ESTIMATE OF COSTS

---

### 3.1 Description of Costs

A general description of the costs provided within the Laguna West Service Area is described as follows, but shall not be limited to:

**Street Sweeping** - Includes all costs required to properly maintain certain streets, including hand sweeping around tree wells.

**Road Maintenance** - Includes all costs required to properly maintain certain roadways, including the replacement of special paving stones, as well as curb, gutter, and sidewalk replacement due to street tree root damage, traffic signs, pavement markings, and special Laguna West street name signs.

**Drainage Services** - Includes all costs required to properly maintain the drainage system and perform water quality monitoring. The drainage/flood control system incorporates a major pump station and unique underground facilities. Regular maintenance is conducted by a dive team approximately every 3-5 years, while regular maintenance of the pump station requires similar, to slightly greater intervals. In addition, repairs to the facility's slide gates were required in Fiscal Year 2008/09. The major initial water quality monitoring period has drawn to a close. Since positive water quality test results have been achieved during this monitoring period, increased reliance will now be placed on lower cost pollutant analyses that is already being performed as part of the regular maintenance, as well as other low cost alternatives, as needed. Due to the infrequent nature of the above costs, revenues are accumulated to ensure adequate ongoing funding.

**Administration** - Includes all costs for the City to account for the Laguna West Service Area funds, as well as the costs to calculate the annual service charges, prepare the annual written report, and place the annual service charges onto the property tax bills.

**Reserve Account** - The reserve portion of the Laguna West Service Area account accumulates revenue in order to provide sufficient funds for long-term maintenance or replacements.

### 3.3 Fiscal Year 2019/20 Estimated Costs

The 2019/20 estimated cost of servicing, maintaining, repairing, and replacing the items as described in the Description of Services are summarized in the table below. Estimated expenditures are shown along with the incidental expenses to be funded by the Laguna West Service Area.

(1) The Fiscal Year 2019/20 Balance to Levy includes rounding adjustments, as required by Sacramento County to place the service charges on the Sacramento County Tax Roll.

(2) The projected Reserve Fund Balance includes amounts collected and held for the next scheduled dives that are part of the drainage services.

The above estimate represents all costs associated with the maintenance and servicing of the improvements. Each year the budget is reviewed and the Laguna West Service Area service charges are imposed so as not to exceed the proportional cost of service attributable to each parcel. For Fiscal Year 2019/20, service charges are proposed to be levied in the amount of \$17.04 for each Subdivided Single Family Residential Benefit Parcel, \$105.13 per acre for Other Properties That Benefit From All Services, and \$63.53 per acre for Non Street Sweeping and Road Maintenance Benefit Parcels.

## 4. LAGUNA WEST SERVICE AREA MAP

## 5. SERVICE CHARGES

---

The actual service charges for Fiscal Year 2019/20, apportioned to each parcel as shown on the latest equalized roll at the Sacramento County Assessor's office, are listed in the Service Charge Roll section of this Report. The description of each lot or parcel is part of the records of the Sacramento County Assessor and such records are, by reference, made part of this Report.

### 5.1 Method of Apportionment

The law requires and the statutes provide that service charges, as levied pursuant to the provisions of the CSA Law, Article XIII D of the Constitution of the State of California, and the Proposition 218 Omnibus Implementation Act (Government Code Section 53750 and following), must be imposed so as not to exceed the proportional cost of service. The CSA Law does not specify the method or formula that should be used in any service charge proceedings.

#### SERVICE CHARGE METHODOLOGY

The service charge is based upon the proportional cost of service attributable to each parcel. At the time of formation, a formula and method that fairly distributes the net amount to be charged among all parcels has been developed and is described below.

Within the Laguna West Service Area, service charges are imposed on three categories of parcels:

- (1) Subdivided Single Family Residential Benefit Parcels** - All single-family residential lots in the Laguna West Service Area which benefit from the street sweeping, road maintenance, drainage service, and administrative components.
- (2) Other Properties That Benefit From All Services** - All parcels, other than Subdivided Single Family Residential Benefit Parcels, that benefit from the street sweeping, road maintenance, drainage service, and administrative components. These parcels are located in the town center area of Laguna West.
- (3) Non Street Sweeping and Road Maintenance Benefit Parcels** - All parcels, that are not included in Category 1 or Category 2 above, that benefit from the drainage service and administrative component only. This category includes parcels located north of Laguna Boulevard and East of Harbor Point Drive, and non-subdivided residential parcels outside of the town center area of Laguna West.

**Exempt Parcels** - This land use identifies properties that are not subject to the service charge. This land use classification may include, but is not limited to, lots or parcels identified as public streets and other roadways (typically not assigned an Assessor's Parcel Number by Sacramento County); dedicated public easements, open space areas and rights-of-ways, public greenbelts and parkways; utility rights-of-ways; common areas, sliver parcels and bifurcated lots or any other property that cannot be developed, park properties and other publicly owned parcels that are part of the Laguna West Service Area improvements or that have little or no improvement value.

The following table provides a land use category listing, the service charge rate for each of the categories, and a multiplying factor used to calculate each parcel's individual service charge amount.

### Service Charges per Land Use Category

Property Type	Fiscal Year 2019/20 Proposed Service Charges	Fiscal Year 2019/20 Maximum Service Charges <sup>(1)</sup>
Subdivided Single Family Residential Benefit Parcels (per parcel, unit, or lot)	\$17.04	\$17.04
Other Properties That Benefit From All Services (per acre)	105.13	105.13
Non Street Sweeping and Road Maintenance Benefit Parcels (per acre)	63.53	63.53

(1) The Maximum Service Charge for each Property Type is not subject to an annual escalation factor.

The formulas described in the preceding service charge methodology are used to calculate each parcel's service charge amount, which is then submitted to Sacramento County for inclusion on the property tax roll.

## 5.2 Service Charge Roll

Parcel identification, for each lot or parcel within the Laguna West Service Area, shall be the Assessor's Parcel as shown on the Sacramento County Assessor's map for the year in which this Report is prepared.

At the conclusion of the public hearing for the Laguna West Service Area's proposed service charges, approval of the Report (as submitted or as modified) confirms the method of apportionment and the service charge rate to be levied against each eligible parcel, and thereby constitutes the approved levy and collection of service charges for Fiscal Year 2019/20. The listing of parcels and the amount of service charge to be levied shall be submitted to the Sacramento County Auditor/Controller and included on the Fiscal Year 2019/20 property tax roll for each parcel.

If any parcel submitted for collection is identified by the Sacramento County Auditor/Controller to be an invalid parcel number for the current fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the Sacramento County Auditor/Controller. The service charge amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and service charge rate approved in this Report. Therefore, if a single parcel has changed to multiple parcels, the service charge amount applied to each of the new parcels shall be recalculated and applied according to the approved service charge methodology and service charge rate rather than a proportionate share of the original service charge.

The proposed Fiscal Year 2019/20 Laguna West Service Area service charge roll is listed on the following pages.
