**4.0 REGULAR AGENDA ITEMS/POSSIBLE RECOMMENDATIONS**

**4.1 SUBJECT: Open Forum / Round Table**

The committee wondered if the Miwok Tribe had to upgrade the sidewalk by the new Casino. Jim Ramsey stated that the sidewalks and ramps were already compliant because of the work the former developers did in preparation for the old mall.

The committee would like Elk Grove to have an indoor heated pool to help those with disabilities and elderly residents. Perhaps contracts could be made with health providers in the area that would regularly use one, which could help pay for building it.

Would like Public Works to prepare a comparison of the last 5 years of the recommendations for ADA projects they've completed and those that have not been completed.

Ann wondered if we had a community liaison person. She said she was asked various questions about City services while she was helping at the Neighborgood Market.

The committee was curious about the public works issues dealing with speed bumps on Vintage Park by EG High and the streetscape on Elk Grove Blvd between Waterman and School St.

**5.0 GENERAL ADMINISTRATIVE UPDATE**

The committee plans to present the Above and Beyond Award on October 26<sup>th</sup>.
