Acknowledgement for Permit Holder:

As the permit holder for the above project, I request an extension of the subject permit. I understand that permit extension requests are reviewed on a case-by-case basis. Permits expired for extended time periods may require the applicant to obtain a new permit and pay associated fees prior to resuming construction. The allowable number of building permit extensions for City issued permits shall not exceed two; 180 day extensions.

Acknowledgement for Applicant:

As the applicant for the above project, I request an extension of the subject application. I understand that application extension requests are reviewed on a case-by-case basis. Any building permit application that has expired is subject to a new plan review and new plan review fees. A new plan review shall be required for compliance with the latest adopted code should a new code cycle have been implemented and adopted by the City of Elk Grove any time during the life of the expired application. The allowable number of building permit application extensions shall not exceed two; 90 day extensions.

Please provide a brief explanation regarding the current status of the application/permit and the delay in commencing or completing construction:
