Welcome to Old Town Elk Grove! Elk Grove was established in 1850 as a hotel and stage stop and soon became a crossroads for business, entertainment, mail service and agriculture as well as a home base for gold miners in nearby communities. After playing its part in the early gold rush and statehood history of California, a close-knit community evolved with a distinctly rural and western lifestyle.

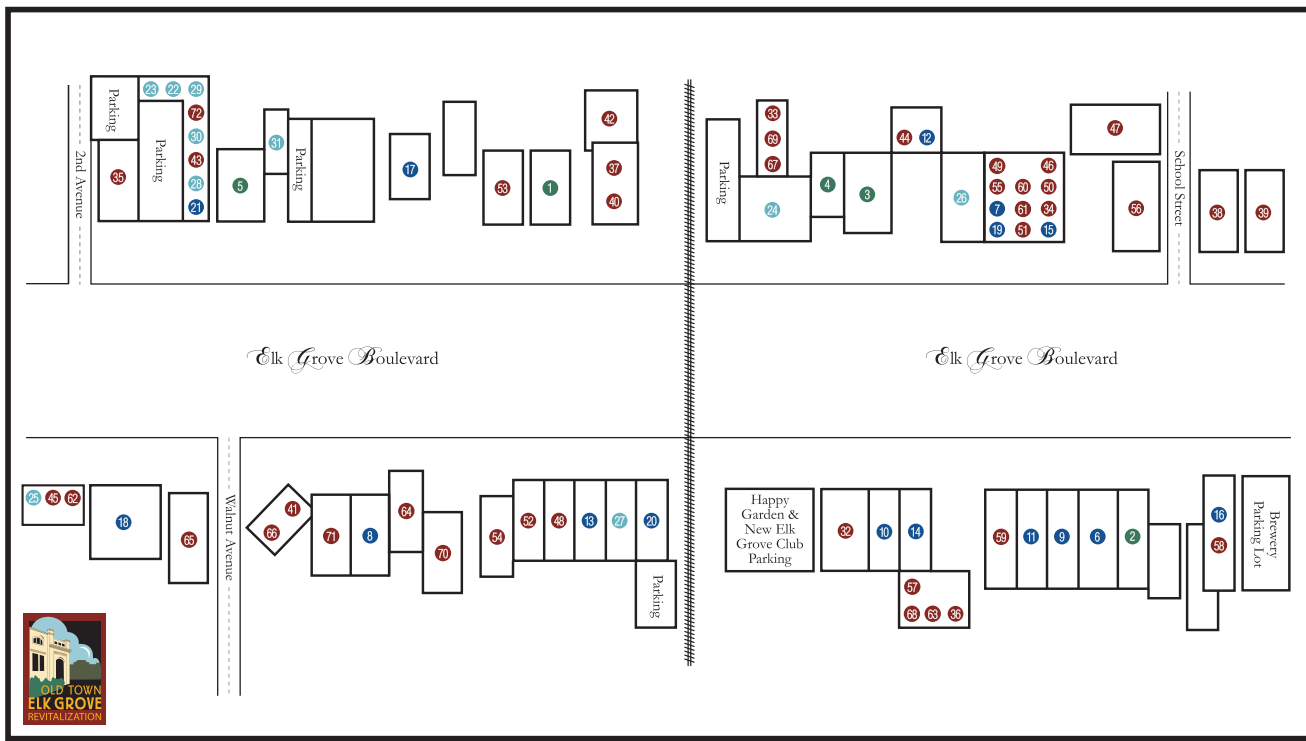

Old Town Elk Grove is the heart of our community, a unique treasure with many buildings dating back to the 1800's. Today, it features a collection of historical buildings, boutique and antique shops, cozy restaurants and many thriving small businesses. We invite you to explore Old Town for yourself and discover what treasures it has in store for you.
