Submittal Requirements

Attach each of the following to this application form:

- 1. Three sets of site plans and elevations (scaled drawings) showing the following:
- Job address and name, address, and phone number of the owner of the establishment
- Site plan showing length of primary building frontage and location of all freestanding signs
- Building elevations including the position of all proposed and existing building attached signage
- Freestanding sign elevations showing all proposed freestanding signage with dimensions of structure
2. Any and all additional plans and information required for the necessary building permit(s), along with a completed Building Permit Application Form.

Sign Permit Conditions

- 1. Prior to installation of any sign(s), a building permit for the signs(s) shall be obtained from the Building Division.
2. Signage shall be installed per the stamped-approved plans.
3. This sign permit shall become null and void if installation of the sign is not commenced within six months from the approval date.
4. Each sign shall have a specified sticker issued by the City that identifies the City-issued permit number, placed visibly on the frame or outer perimeter of the sign.
5. Other:

Applicant/Property Owner Signature

I verify that all the above and attached material is true and accurate.
