Grant Line Channel Restoration Project

City Project # PD0003

ADDENDUM NO. 2

May 8, 2009

TO ALL PROSPECTIVE BIDDERS:

Please incorporate the following revisions as part of the contract documents for the subject project.

- 1. BID PROCESS CANCELLED:** The Grant Line Channel Restoration Project Bid Process has been cancelled due to unforeseen circumstances. The City will not be able to secure the required US Army Corp 404 Permit prior to the start of construction to allow work within the channel. Once permits are approved, the City will rebid the project. Interested bidders should keep checking the plan rooms for further notification.
