

# 2019-2020 CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT

City of Elk Grove Adopted December 9, 2020

### **CR-05 - Goals and Outcomes**

### Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The City completed several activities in Program Year (PY) 2019, including the following:

- Completed the installation of 79 ADA-accessible curb ramps in locations throughout the City, removing barriers to accessibility.
- Provided transitional housing, including comprehensive case management, to 14 households (23 individuals). Provided housing counseling and/or landlord/tenant advice through Sacramento Self-Help Housing to 300 households, many of which were homeless or at risk of homelessness.
- In partnership with Habitat for Humanity, offered a minor home repair program to low-income homeowners.
- Closed a \$5 million loan in support of the Gardens at Quail Run project. The Gardens at Quail Run is planned as a 96-unit affordable housing project, which will include 10 units affordable to extremely low-income households.
- Purchased a 13-acre (9 buildable acre) parcel at the northeast corner of Bruceville Road and Big Horn Blvd, using the Affordable Housing Fund. Once developed, the property is expected to have a minimum of 189 affordable units.
- Started work on a roadway and sidewalk improvement project along Elk Grove Boulevard designed to improve accessibility for disabled persons.
- Assisted community-based organizations with financing that allowed them to provide a range of new and expanded social services to target-income residents. Services provided included senior meals, case management, landlord/tenant and fair housing counseling, emergency utility assistance, and youth education/mentoring.
- Collaborated with several other governmental entities in the region, including Sacramento
  Housing and Redevelopment Agency, Citrus Heights, and Rancho Cordova on the completion of
  a regional Analysis of Impediments to Fair Housing Choice (AI), which was adopted by Elk Grove
  City Council on June 24, 2020.
- Provided emergency funding to nonprofits impacted by the coronavirus pandemic, including through CARES Act funding.

In addition to CDBG-funded services, the City also assisted more than 23,000 people through its locally funded nonprofit grant program. These grants provided funding for food for lower-income persons and seniors, after-school activities for youth, senior activities, emergency utility assistance, and other community benefit activities.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

<sup>&</sup>lt;sup>1</sup> After evaluation of the CDBG requirements, the City determined that using an alternate source of funding to provide business loans and address job creation would be more advantageous.

<sup>&</sup>lt;sup>2</sup> Elk Grove HART provided overnight shelter to homeless persons during the winter months. The City did not directly fund this activity.

<sup>&</sup>lt;sup>3</sup> For the purposes of the Action Plan, the City estimates the number of ramps completed rather than persons assisted.

<sup>&</sup>lt;sup>4</sup>These outcomes were associated with graffiti abatement, the need for which drastically decreased after the City began to remove it promptly. At present, no future CDBG funding for graffiti abatement is planned.

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

All of the projects funded in PY 2019 addressed one or more of the priorities included in the five-year Consolidated Plan period, which was extended by HUD for two years (through PY 2019).

The City has had a great deal of success creating new affordable housing. Since 2002, the City has invested nearly \$74 million in the creation of over 1,600 new rental units affordable to low-income and very low-income households. In PY 2019, a City loan of \$5 million from the Affordable Housing was made to the Gardens at Quail Run. This project will add 95 new affordable rental units and is expected to complete construction in May 2021. Also, in PY 2019, the City purchased a 13-acre parcel at the northeast corner of Bruceville Road and Big Horn Blvd using the Affordable Housing Fund. Once developed, the property is expected to have a minimum of 189 affordable units. The City continues to evaluate options for strategic land acquisition for affordable housing.

In the last several years, the City has also taken steps to identify and address needs related to homelessness. In PY 2019 the City continued to support case management at two transitional housing projects serving 14 households and transferred an additional property to a Sacramento Self-Help Housing who will use the home to provide temporary housing for families with young children as they work to locate permanent housing. Through local funds, the City also continued funding the Elk Grove Winter Sanctuary (EG WINS) in 2019-2020, a temporary emergency shelter for homeless individuals offered during the coldest winter months; and contracted with Sacramento Self Help Housing for homeless navigation services, aimed at helping people experiencing homelessness obtain the documentation and referrals necessary to connect with services and housing.

In the area of accessibility, the City has completed hundreds of ADA curb ramps and several sidewalk infill projects in recent years, with 79 curb ramps being brought into compliance in PY 2019. Late in the program year, work was also stared on a roadway and sidewalk improvement project along Elk Grove Boulevard, which includes a component of improving accessibility for persons with disabilities.

In PY 2019 the City continued to devote the full 15% of CDBG funds allowed to public services, serving thousands of households with a range of services, from meals to youth programs to housing counseling. Public service efforts continue to serve target populations such as extremely low-income and very low-income households; persons experiencing homelessness; seniors; youth, mainly ages 6-17; persons with disabilities; and foster youth. Our nonprofit partners have been instrumental in providing services to Elk Grove households in need who have come to depend on these services, including many new households who are experiencing economic hardship due to the coronavirus pandemic.

### CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted). 91.520(a)

| Hispanic                                  | 566   |
| Not Hispanic                              | 2,859 |

### Narrative

Demographically, the race/ethnicity of persons assisted generally reflects the diversity of Elk Grove's residents. Black or African Americans are represented in a higher percentage than exists in the community (14.28% vs 11.49%), while whites are represented in a lower percentage (40.61% vs 45.72%). The City continues to work with each subrecipient to review their population served and determine whether additional focused outreach is necessary.

<sup>&</sup>lt;sup>1</sup>This includes only CDBG funds drawn during PY 2019 including those for prior-year activities. It does not include funds expended after July 1, 2020, even if associated with prior-year activities.

### **Narrative**

The City expended a total of \$1,110,697.15 in the 2019-2020 fiscal year. In addition, the City invested over \$410,000 in General Fund monies in support of community activities, including many offered by CDBG-eligible nonprofits. The Senior Center of Elk Grove, Elk Grove Food Bank Services, Elk Grove Homeless Assistance Resource Team (HART), Elk Grove Community Garden, Teen Center USA, Chicks in Crisis, Inc, Project R.I.D.E., Inc., and many other organizations were beneficiaries of these funds.

The City's Affordable Housing Fund made the following commitments:

- In previous years, the City noted its \$5 million gap financing loan to the Bow Street Apartments project, which has 97 affordable units. Construction began in PY 2017 and was completed in mid-2018. The leasing process began in August 2018, with the first tenants moving in in May 2019 and full occupancy in July/August 2019. In PY 2019, the City disbursed \$2 million of the \$5 million loan, with \$1 million remaining to be disbursed.
- In PY 2019, the City closed its loan of \$5 million toward the construction of the Gardens at Quail Run apartment complex, which will have 95 affordable units. Construction began in PY 2019 and is anticipated to be completed in May 2021. No loan disbursements have been made to date.
- Purchased a 13-acre parcel (9 buildable acres) at the northeast corner of Bruceville Road and Big Horn Blvd. Once developed, the property is expected to have a minimum of 189 affordable units. In PY 2019, the City contracted with a consultant to assist with site layout and design options.
- Continued to set aside funding for the Homebuyer Assistance Program, which offers low-interest down payment loans to low-income first-time homebuyers. Unfortunately, due to a mismatch between housing prices and income levels of target-income households, the City did not make any loans in PY 2019.

<sup>&</sup>lt;sup>2</sup>This includes undisbursed loan commitments to Bow Street and Gardens at Quail Run (total \$8 million). Unspent funds from those commitments may carry forward to future years depending on the projects' needs. Additional funding was set aside for strategic land acquisitions and homebuyer assistance.

<sup>&</sup>lt;sup>3</sup>This includes funding for a project to be determined. Funding decisions were put on hold as staff efforts shifted to pandemic-related issues.

Over the next five-year Consolidated Planning period, the City anticipates continuing to offer the Homebuyer Assistance Program, strategically acquiring new land for affordable housing, and potentially making one or more loans in support of new affordable housing projects, which will make use of most of the uncommitted funds in the Affordable Housing Fund. Also, the City will continue to evaluate options for expending its State homeless appropriation, including construction of tiny homes and/or incorporating homeless housing options in new apartment communities.

### Identify the geographic distribution and location of investments

### **Narrative**

The City's CDBG-funded projects took place at various locations throughout the City. Most programs that the City offered, including the Habitat for Humanity minor home repair program and all public services, were available citywide. The following projects had specific locations in the City:

- The 2018-2019 curb ramp accessibility project (WAC014) took place at forty locations (79 ramps in total) spread throughout the City.
- The 2019-2020 roadway and sidewalk improvement project (Railroad Street Improvements WTR049), which began construction in late PY 2019, is located in the Old Town area of Elk Grove along segments of Railroad Street and Grove Street.

### Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

In addition to CDBG investments, the City used its General Fund to contribute more than \$410,000 to organizations providing community services in Elk Grove. Some of the City's Public Works projects were also able to take advantage of other federal and state funding sources, including Measure A funds, to complete design, engineering, and construction work that exceeded the City's CDBG budget for these projects. In the future, the City also anticipates using its Affordable Housing Fund to assist with the creation of housing for homeless households and other very low-income households. The Affordable Housing Fund can be used to acquire land for future affordable housing uses and make loans to support development of new affordable apartments, among other uses. Typically, the Affordable Housing Fund is used in coordination with federal tax credits for affordable housing and may also be used in coordination with other federal and/or state affordable housing financing programs.

The City provides a portion of many nonprofits' annual budgets. With the City's commitment of funding, some are able to secure other private funding sources that are necessary to maintain their operations.

CDBG funds do not carry a matching requirement, and therefore the City is not required to report on match funds.

The City did not use any publicly-owned property in PY 2019 to address the needs identified in the Consolidated Plan, although it did purchase property that is expected to be used to meet the housing needs of lower-income households.

### CR-20 - Affordable Housing 91.520(b)

### **Affordable Housing Progress**

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

## Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

In 2019-2020, the City continued to work with a local nonprofit, Habitat for Humanity of Greater Sacramento, to develop a home repair/rehabilitation program to replace the City's Minor Home Repair Program, with the goal of making use of volunteer labor and offering a more robust program to residents in need. During the 2019 program year, one home repair project was completed. Unfortunately, Habitat for Humanity found the CDBG administrative requirements to be prohibitive and had challenges recruiting applicants with qualifying incomes and types of repairs needed. As a result, they did not meet the expected outcomes and determined they would not continue to operate the program. For the 2020 PY, the City will re-institute the City's Minor Home Repair Program.

The City's 2015-2016 loan commitment of \$5 million to a planned 98-unit affordable apartment project (Bow Street Apartments) carried forward into the 2019-2020 year, when the project reached full occupancy in July/August 2019. A total of \$2 million was disbursed on this loan in PY 2019.

The City's 2017-2018 loan commitment of \$5 million to a planned 96-unit affordable apartment project (Gardens at Quail Run) also carried forward into 2019-2020. During 2019-2020, the developer applied for and received an award of low-income housing tax credits and the City closed its \$5 million loan to the project. Construction is underway and anticipated to be complete in May 2021. Loan disbursements will likely be made in PY 2020 and PY 2021.

In order to encourage affordable housing development, the City also pursued a strategy of land acquisition. Ultimately, after some pre-planning, the City will solicit developer partners for land it owns, with the goal of building affordable housing in high-priority areas and with innovative design elements.

### Discuss how these outcomes will impact future annual action plans.

The need for affordable housing in the City remains high, particularly at the lowest income levels. The City has some independent funding sources to support affordable housing, but the amount is not sufficient to spur construction that would meet demand. In future years, the City anticipates continuing to allocate resources to creating new housing opportunities for lower-income households, including people experiencing homeless, and helping low-income households to maintain their housing. The City has allocated a substantial portion of its CARES Act CDBG funding (CDBG-CV1) and PY 2020 CDBG funding to providing rental assistance to lower-income households experiencing a drop in income related to the coronavirus pandemic.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

| Number of Households Served          | CDBG Actual | HOME Actual |
|--------------------------------------|-------------|-------------|
| Extremely low-income (up to 30% AMI) | 0           | 0           |
| Low-income (31-50% AMI)              | 0           | 0           |
| Moderate-income (50-80% AMI)         | 1           | 0           |
| Total                                | 1           | 0           |

Table 7 – Number of Households Served

### **Narrative Information**

Table 7 represents households assisted through the Minor Home Repair Program. The City transferred the program to a local non-profit organization during the 2018-2019 program year. The successor program through Habitat for Humanity began collecting applications in early 2019 and was able to complete one home repair in the 2019-2020 program year. This program is available to Elk Grove homeowners who are lower-income and who have one or more health and safety hazards present in their homes. Homeowners tend to have somewhat higher incomes than renters. Future City housing efforts, such as the creation of the new apartment complexes and the acquisition of properties for construction of affordable rental housing, are expected to target a greater number of extremely low-income and very low-income households.

### CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

### Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

In PY 2019, the City continued to fund a full-time homeless navigator through Sacramento Self Help Housing. The homeless navigator performs proactive outreach to unsheltered homeless residents, meeting with them where they are staying, and assists them by evaluating their needs, obtaining documents required to enroll in housing programs, completing information necessary to enter them into the Countywide Homeless Management and Information System (HMIS), and when possible locating housing options for them.

For many years, the City has also provided funding to Sacramento Self Help Housing, which offers housing counseling to homeless households and those at risk of becoming homeless. An SSHH case manager meets with clients over the phone or in person at the Elk Grove United Methodist Church and assesses their individual situations. The case manager then helps to connect them to low-cost housing options, when available.

The City also provides administrative support to the Elk Grove Homeless Assistance Resource Team (HART). Elk Grove HART runs a winter shelter program serving up to 20 individuals per night and provides year-round support and mentoring to homeless residents in the City's two transitional houses. During the coronavirus pandemic, HART pivoted to provide shelter-in-place support, like food, clothing, and sleeping bags, in lieu of the winter shelter program. They also engage in homeless advocacy efforts.

• Addressing the emergency shelter and transitional housing needs of homeless persons In PY 2019, the City had two transitional houses: the Grace House, which serves primarily single adults, and the Meadow House, which serves homeless families with minor children. Sacramento Self Help Housing and Elk Grove HART work together to find residents for transitional housing, with an emphasis on persons and families who have the potential to secure permanent housing within a six-month (individuals) to twelve-month (families) timeframe. In PY 2019, 14 households resided in the Grace and Meadow houses, and most successfully transitioned to permanent housing.

In the winter season of 2019-2020, Elk Grove HART again offered the Elk Grove Winter Sanctuary, an emergency shelter available nightly from December to March. Participants met at a location in Elk Grove and were driven to a participating facility. (The shelter rotated among churches and community locations on a weekly or bi-weekly basis.) A total of 61 guests stayed one or more nights at the Winter Sanctuary in PY 2019. HART plans to continue providing resources and services to homeless persons during the 2020-2021 winter season by implementing an emergency "shelter in place" support program in compliance with public health orders in effect due to the coronavirus pandemic.

 Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City participated in the Homeless Solutions Committee, a group of agencies, nonprofits, faith-based organizations, and interested individuals dedicated to addressing Elk Grove's homeless issues. The goal of the Committee members is to ultimately move homeless persons into permanent housing, and to meet that goal, implement several strategies:

- Operate the Grace House and the Meadow House as transitional housing. This offers homeless persons and families the opportunity to have a residence for 3-12 months while they work regularly with a case worker and mentors on obtaining the skills necessary to move to permanent housing. Components of the program include securing benefits, obtaining job training/education, receiving mental health counseling, and working on life skills for independent living.
- O Provide outreach and mentoring to people experiencing homelessness, whether on the streets or currently in transitional housing. Sacramento Self Help Housing provides a fulltime homeless navigator to conduct outreach to the unsheltered homeless population. Elk Grove HART provides several mentors to transitional housing residents, while Sacramento Self Help Housing and the Food Bank provide referrals and other services.
- Offer, on a case-by-case basis, assistance with security deposits and other moving costs to households who need just a little help to secure permanent housing. This service is provided by HART.

The City convenes a bi-weekly meeting with the navigator, Police Department, transitional housing case manager, and HART representatives. The purpose of this meeting is to do case conferencing, discussing new homeless individuals/families, ongoing cases, and opportunities that may exist to temporarily or permanently house people experiencing homelessness.

City staff also participates in outreach efforts to unsheltered homeless. When Code Enforcement or the Police Department issues a trespassing notice or notice to remove belongings, a resource flier is included. Officers in contact with people experiencing homelessness work closely with the navigator in an attempt to assist people with securing services and housing.

Helping low-income individuals and families avoid becoming homeless, especially
extremely low-income individuals and families and those who are: likely to become
homeless after being discharged from publicly funded institutions and systems of care
(such as health care facilities, mental health facilities, foster care and other youth
facilities, and corrections programs and institutions); and, receiving assistance from
public or private agencies that address housing, health, social services, employment,
education, or youth needs

The City provided funding to Sacramento Self Help Housing, which offered housing counseling to households at risk of becoming homeless. SSHH partners with the Elk Grove Food Bank to reach a greater number of clients who may need assistance locating stable housing options. Additionally, SSHH has connections with and accepts referrals from many other nonprofits with at-risk clients and provides a searchable database of low-cost housing options on their website.

### CR-30 - Public Housing 91.220(h); 91.320(j)

### Actions Taken to Address the Needs of Public Housing

The Sacramento Housing and Redevelopment Agency (SHRA) is the public housing agency serving the City of Elk Grove. SHRA is independent of the City of Elk Grove, and the City retains no control over their funding or implementation of programs. Please refer to the SHRA Public Housing Authority Annual Plan for information on the ways that SHRA addresses public housing needs.

### Actions Taken to Encourage Public Housing Residents to Become More Involved in Management and Participate in Homeownership

SHRA encourages public housing residents to participate in policy, procedure, and program implementation and development through its Resident Advisory Board. In addition, the Housing Authority recognizes Resident Committees throughout the Sacramento region, which are resident-elected bodies representing residents in their respective complexes. SHRA also distributes a quarterly newsletter to all residents, which contains relevant news, information on training and employment opportunities, and other community resources available to public housing residents. Public housing residents also participate in the development of the SHRA's five-year and annual plans. The Resident Services Division distributes a survey to prioritize resident needs and schedule short- and long-term improvements.

### Actions Taken to Provide Assistance to Troubled PHAs

SHRA is not designated as "troubled."

### CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The City continues to undertake a number of actions to reduce potential barriers and constraints to affordable housing, as well as promote housing for special needs populations. These include funds in support of affordable housing development, fee reductions and waivers, regulatory incentives, density bonuses, and rezoning of sites to higher densities. These are described in more detail in the City's 2013-2021 Housing Element and will also be described in the draft 2021-2029 Housing Element which is currently underway.

The 2013-2021 Housing Element includes a number of important programs to address barriers to affordable housing in Elk Grove. Some of these programs include:

- Zone land sufficient to accommodate a minimum of 3,462 units at a density of 20.1-30 units/acre, a density generally considered viable for multifamily projects. (H-1 Action 2)
- Offer fast track/priority processing, density bonuses, flexibility in development standards, and fee subsidies (when feasible) to developers proposing new housing, mixed-use, or infill projects affordable to lower-income households, farmworkers, seniors, and other special needs groups. (H-3 Action 2)
- Continue to support affordable housing development through financial assistance from sources such as the Affordable Housing Fund, CalHome, Community Development Block Grant (CDBG), Home Investment Partnerships Program (HOME), and other US Department of Housing and Urban Development (HUD) or California Department of Housing and Community Development (HCD) funding, as feasible. (H-4 Action 1)
- When feasible, continue to provide waivers of or exemptions from select fees to all affordable housing projects and participate in the Sacramento Regional County Sanitation District's fee waiver and deferral program to reduce impact fees for affordable housing development. (H-4 Action 2)
- Offer affordable housing funding sources through the issuance of a Request for Proposals process consistent with the City's Affordable Housing Loan Program guidelines, or other process as approved by the City Council. (H-4 Action 3)
- Continue to provide regulatory incentives for the development of units affordable to extremely low-, very low-, and low-income households, including second dwelling units, senior housing, and apartment units, and housing for special needs groups, including agricultural employees, persons with disabilities (including developmental disabilities), and individuals and families in need of emergency/transitional housing. The City will also take subsequent action, as appropriate, to make the development of such units more financially feasible and will consider providing financial incentives, such as reducing, waiving, and/or deferring fees, where feasible. (H-9 Action 1)

Additional measures are identified and explained in detail in the City's Housing Element. (Note: The Housing Element process ensures that adequate and appropriately-zoned land is available, but does not require that housing be built.)

For many years, the City has collected housing impact fees on new market-rate residential and non-residential development and used those fees to support affordable housing development. Future income in the funds will be collected until the balance is sufficient to fund one or more new multi-family rental projects, land acquisition for lower-income housing, or other housing priority projects.

### Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

While there are several constraints to meeting the needs of lower-income residents noted in the Consolidated Plan, there are two primary obstacles to meeting underserved needs:

- Available funding is not sufficient to fully address the community's needs. In PY 2019, \$138,000 in CDBG funding was available to public service agencies, and the City provided more than \$449,000 in local funding. The City continued to support nonprofits in their search for public and private funding, including by writing letters of support or otherwise facilitating applications.
- There is a lack of available services within the City of Elk Grove's boundaries. Elk Grove is served by several organizations that have offices locally, including the Elk Grove Food Bank, Elk Grove Adult Community Training, the Senior Center of Elk Grove, and multiple youth organizations. However, the majority of the region's service providers, including for many homeless services and domestic violence assistance, have their offices in Sacramento. The City's public transportation system, e-tran, provides routes to Sacramento, but residents are sometimes reluctant to travel outside of the community to receive services. Travel for persons without access to a personal vehicle can be difficult, as public transportation often involved multiple connections or is too costly for persons with minimal income. The City has encouraged funded nonprofits to operate locally at least part-time, and Sacramento Self-Help Housing continues to use the Elk Grove United Methodist Church offices one to two days per week as available under current health orders in effect at the time.

A new obstacle to meeting underserved needs that arose in PY 2019 was the coronavirus pandemic. The pandemic created immediate challenges, such as food shortages, more limited transit services, and the closure of many government and nonprofit offices. It also created longer-term challenges like unemployment and housing insecurity, and placed a greater burden on existing nonprofits to meet increased needs at a time when their fundraising opportunities were diminished. The City provided CARES Act funding, including CDBG-CV1 funding, to several nonprofits to assist them in dealing with increased demand and decreased revenues.

### Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

Sacramento County's Childhood Lead Poisoning Prevention Program (CLPPP) provides services and information to Elk Grove residents regarding childhood lead poisoning and prevention. Specifically, program staff offers case management and home investigations for children with elevated blood lead levels. Staff also provides outreach services and information regarding lead poisoning, childhood testing and treatment, and prevention practices. In addition, CLPPP staff distributes literature to tenants and landlords during inspections to help educate the public about lead-safe practices.

The Department of Health and Human Services has a health educator and a public health nurse on staff to provide case management and outreach education services. A registered environmental health specialist from the Environmental Management Department provides environmental investigations of homes as part of the case management services for children with elevated blood lead levels. The CLPPP staff also informs the public, parents, and community resources about the dangers of lead poisoning.

While the majority of housing units in Elk Grove were built after 1978, there are an estimated 577 owner-occupied units and 489 rental units potentially contaminated with lead-based paint. The City established lead-based paint abatement procedures, in accordance with the Residential Lead-Based Paint Hazard Reduction Act and the new regulations adopted in 1999. The City will continue to implement HUD lead-based paint regulations, including for the City's housing repair and rehabilitation programs.

The procedures regarding lead-based paint include notification procedures for owners and occupants; evaluation and identification of lead hazards; requirements for repair, reduction, or abatement of the lead hazards; and clearance examinations.

### Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The City's anti-poverty strategy is based on providing a range of supportive services aimed at enabling those in poverty to move into the workforce or obtain benefits to which they are entitled (e.g. Social Security, disability). as well as supporting activities that preserve and expand the supply of housing that is affordable to target-income households.

In PY 2019, the City's CDBG funds were used to support the following anti-poverty programs:

- Sacramento Self-Help Housing provided counseling and social services for the homeless, including drop-in housing counseling and intensive case management for residents of transitional housing.
- Meals on Wheels offered daily nutritious meals to very low-income homebound seniors and also
  offered meals at the Senior Center of Elk Grove and Light of the Valley café sites.
- Elk Grove Food Bank Services offered the Support Works program, which has group and individual counseling, case management, parenting and job skills training, and other resources focused on helping low-income households achieve financial stability.

Additionally, the City used its Community Service Grant program to fund:

- Uplift People of Elk Grove to offer the Champions for Change program for low-income and near
  poverty households, with the goal of providing mentoring and education that allows the
  household to transcend generational poverty. The program offers a combination of services and
  education, including relationship building, community outreach, mutual accountability, and goal
  setting.
- Chicks in Crisis to provide offer Project LIFT (Living Independently for Tomorrow) which provides
  a supportive learning environment where pregnant and parenting teens (male and female) move
  toward self-sufficiency and employment by providing workshops on finding a job, finance, legal
  issues, healthy living, and child development.

Elk Grove residents also have access to anti-poverty services provided by the County Department of Human Assistance. The County provides many programs designed to provide temporary assistance to families in need and coordinates the County's welfare-to-work programs, with an emphasis on creating employment connections and increasing the income of the program's participants. Overall, the goal of all agencies' programs is economic self-sufficiency.

### Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The City's Development Services Department is responsible for the management, implementation, and monitoring of CDBG activities. The Housing and Public Services Division within the department is specifically charged with these tasks.

The City has two designated staff positions (Housing and Public Services Manager and Housing and Grant Specialist) to administer the programs and activities funded with CDBG funds. Staff works with the individual City divisions, such as Public Works, Economic Development, and Code Enforcement, and the City's advisory committees to develop procedures and coordination for administering programs that will be carried out by these divisions. The Housing and Public Services Division also includes an Administrative Assistant (shared with Development Services management).

### Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The City continued its work with neighboring jurisdictions, including the County and the City of Sacramento and the Sacramento Housing and Redevelopment Agency, to address the regional issues that affect the needs of low-income persons as well as special needs populations. The City also continued to work with many of the local nonprofits that provide a range of services to low-income Elk Grove residents. In addition, the City worked with Rancho Cordova and Citrus Heights, the two other small entitlement jurisdictions in Sacramento County, to research issues of interest to all jurisdictions and to coordinate on shared subrecipient monitoring.

The City's Housing and Public Services Manager also serves on the Continuum of Care Advisory Board and its Performance Review Committee, which jointly review proposals for HUD homeless funding and provide input on region-wide homeless policy issues.

### Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

HUD provides specific requirements that entitlement grantees certify that they will affirmatively further fair housing in their jurisdiction. Fair housing objectives are broad and include requirements to promote fair housing choice for all persons and to foster compliance with the nondiscrimination provisions of the Fair Housing Act. These requirements are satisfied, in part, by analyzing impediments to fair housing choice within the jurisdiction and taking appropriate action to overcome the effects of those identified impediments.

In 2009, the City completed an updated Analysis of Impediments to Fair Housing Choice (AI) and it was adopted by the City Council in May of the same year. The analysis evaluated demographics; lending patterns; local, state, and federal codes and regulations; fair housing complaints; and other relevant resources to determine impediments to fair housing in the community. Although evidence of significant and pervasive discrimination was not found, the AI did identify some areas of concern that should be addressed to assure continued fair housing. These areas specifically concern the continued supply of

affordable housing, equal access to mortgage credit for all racial and ethnic groups, reasonable accommodation, continued fair housing education and enforcement, and building accessibility standards.

In PY 2015, HUD released new guidance on the AI replacement, called the Assessment of Fair Housing. In recognition of the fact that fair housing issues are not confined by jurisdictional boundaries, the City planned to work with the Sacramento Housing and Redevelopment Agency, Citrus Heights, and Rancho Cordova, and other communities within the Sacramento region to create a comprehensive AFH that covers the issues facing the region. In PY 2016, the City entered into an MOU with 11 jurisdictions in the Sacramento region and jointly selected a consultant to assist with preparation and outreach for the AFH. In PY 2017, HUD changed some of the requirements for evaluating fair housing in communities, but the partner jurisdictions elected to continue on with a joint fair housing assessment that will meet current HUD requirements. In PY 2018, the City offered several opportunities for public input including a "pop up" activity reaching 148 adult participants and citywide outreach and survey promotion through postal mail, email, and social media avenues. By the end of the program year, the AI was in draft form.

In PY 2019 the AI was released for a 30-day public review period between September 18, 2019 through October 18, 2019 and was completed early 2020. During the Consolidated Planning process, the AI helped inform the needs and goals around housing and provided resident perspectives through community engagement. The AI was adopted by Elk Grove City Council along with the 2020-2025 consolidated Plan on June 24, 2020. A copy of the AI can be found on the City's website at www.elkgrovecity.org/cdbg.

Outside of partnering in the completion and implementation of the regional AI/AFH, the City's approach to fair housing in PY 2019 was focused on education and investigation:

- Sacramento Self Help Housing provided the Renters Helpline to offer information on landlord/tenant law and fair housing matters. They also provided landlord/tenant mediation.
   SSHH also works with the California Apartment Association, Legal Services of Northern California, and Project Sentinel to provide education and investigate complaints.
- City staff continued to provide limited information on fair housing matters, including referrals to HUD and DFEH, to the public. City Code Enforcement staff have attended fair housing trainings and are able to answer basic fair housing questions from members of the public. More complicated questions and/or those requiring investigation are forwarded to Sacramento Self-Help Housing.
- The City participated in a series of meetings with other regional jurisdictions, including the County
  of Sacramento, SHRA, Citrus Heights, and Rancho Cordova on strategies for better cooperating
  regionally to address fair housing issues. The jurisdictions partnered to allocate funding for the
  Renters Helpline for PY 2016, PY 2017, PY 2018, and PY 2019 with each jurisdiction contributing
  its share based on its percentage of the County's rental units.

### **CR-40 - Monitoring 91.220 and 91.230**

Description of the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

The City used a monitoring system to ensure that CDBG-funded activities are carried out in compliance of applicable laws, regulations, policies, and sound management and accounting practices. The primary objectives of the City's monitoring efforts are:

- To ensure that subrecipients have the capacity to carry out their responsibilities and to do so in a timely manner;
- To ensure that subrecipients are carrying out the project as described in their agreement, complying with applicable laws and regulations; and
- To ensure that the project is operating in a manner that minimizes the opportunity for fraud, waste, and mismanagement.

At the beginning of the program year, all subrecipients were informed of the obligations to collect the required information on income, household composition, and race and ethnicity. The City also provided information on subrecipient agreement policies, data collection, and financial management and recommended each subrecipient read the "Playing by the Rules" guide produced by HUD. Staff conducted monitoring visits and provided technical assistance to subrecipients throughout the year.

Quarterly, staff examined the progress the subrecipient was making toward performance targets. Public services subrecipients must report their service population with each billing. Each subrecipient agreement contains provisions for reductions to or suspensions of payments in the event that targets are not being met (without valid reason) or when past performance issues have not been resolved. The City has placed a strong emphasis on its subrecipients gathering complete and accurate information on the persons and/or households they serve, and regularly reporting on progress.

### Citizen Participation Plan 91.105(d); 91.115(d)

Describe efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

The City of Elk Grove Planning Division, within the Development Services Department, serves as the lead agency for the administration of CDBG funds. Questions regarding this report should be directed to:

City of Elk Grove 8401 Laguna Palms Drive Elk Grove, CA 95758 Attn: Housing and Public Services Manager (916) 627-3209 | sbontrager@elkgrovecity.org

The draft report was made available for public review during a 15-day public comment period from November 23, 2020 to December 9, 2020. A public notice announcing its availability was published in the Elk Grove Citizen on November 20, 2020 and placed on the City's website. Copies of the CAPER were made available upon request and were free of charge. A public hearing on the report was be held December 9, 2020 at the Elk Grove City Council meeting. No citizen comments were received.

The resolution approving the 2019-2020 CAPER will be included as Attachment D.

### CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

PY 2018 was the first year of the City's Consolidated Plan extension, which HUD granted in order to allow for completion of the AI. PY 2019 is the final year of the current Consolidated Plan.

Many of the City's objectives have remained as priorities under the new 2020-2025 Consolidated Plan, but others have not. For example, some of the planned economic development activities have been revised based on changing markets and partner organizations. In PY 2015, the City determined that other available funding sources were a better fit for promoting small businesses and job creation/retention. These goals remain extremely important to the City, even though they may not be CDBG-funded.

In the 2020-2025 Consolidated Plan, the City also made some adjustments to its anticipated allocations by category of need. With the economy vastly improved from what is was in 2013 when the last Consolidated Plan was adopted, and the most recent challenges present by coronavirus, the City's strategy for expending CDBG funds has been tweaked to best serve community needs. For example, housing sale and rental prices have increased disproportionate to incomes, causing homelessness and other housing challenges for low-income residents. To address this need as well as others identified through the Consolidated Plan needs assessment, housing market analysis, and public outreach, the City plans to fund the construction of new affordable housing and transitional housing, provide forgivable loans to homeowners needing health and safety repairs, fund a rent and utility assistance program, support nonprofits offering a wide range of social services, and assist with accessibility and new facility projects. The City plans to continue to devote the full 15% allowed to public services and to supplement programming with General Fund monies.

For further details please refer to the 2020-2025 Consolidated Plan located on the City's website at www.elkgrovecity.org/cdbg.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No.

Project: 0003 - Scattered Site Very Low-Income Housing

**IDIS Activity:** 189 - Scattered Site VLI Housing

Status: Completed 12/5/2019 12:27:10 PM

Objective: Provide decent affordable housing

Location: 8528 Sun Sprite Way Elk Grove, CA 95624-3815 Outcome: Affordability

> Matrix Code: Acquisition of Real Property (01) National Objective: LMH

**Initial Funding Date:** 11/16/2016

### **Description:**

Purchase and rehab one or more single-family or duplex property for use as permanent very low-income housing, primarily for persons exiting transitional housing. The property will be used as permanent shared housing, meaning that bedrooms will be rented separately; therefore, anticipated unit count includes bedrooms to be rented to VLI persons.

| 2016  | The City acquired an eight-bedroom, three-bathroom property on Sun Sprite Way for use as permanent shared housing for homeless persons. The property was acquired in the 2016-17 fiscal year, and in August 2017 the City transferred the property to its nonprofit partner, which will complete some rehabilitation work prior to tenant occupancy. The property has a 55-year deed restriction to ensure it is used for homeless housing during that timeframe.                      |               |
| 2017  | An activity will be set up in the 2017 grant year to cover the property rehab costs, and outcomes will be reported in that activity.  Rehab work was completed on five of the eight bedrooms at the Sun Sprite property. Four were occupied in PY 2017 as permanent very low-income housing. The property is being used as permanent shared housing, meaning that bedrooms will be rented separately; therefore, anticipated unit count includes bedrooms to be rented to VLI persons. |               |
| 2018  | National Objective: LMH - Low/Mod Housing Benefit 24 CFR Section 570.208(a)(3) Eligible Activity: 24 CFR Section 570.202(b)(1) and (b)(2)  The property is being used as permanent shared housing, meaning that bedrooms are rented separately. Rehab work was completed on five of the eight bedrooms at the Sun Sprite property. | 2019  | National Objective: LMH - Low/Mod Housing Benefit 24 CFR Section 570.208(a)(3) Eligible Activity: 24 CFR Section 570.202(b)(1) and (b)(2) The property continues to be used as permanent shared housing for homeless persons. Seven of the eight bedrooms are available for rent by very-low-income persons. The eighth bedroom serves as residence for the house manager. Case management is provided to tenants on a biweekly basis.                                                 |               |
|       | As of the date we are closing this activity, four of the seven bedrooms are currently rented and our non-profit partner is reviewing applications for the remaining three bedrooms. In the 2019 program year, 6 individuals have lived in the home with at least one individual moving on to other permanent low-income housing.                                                                                                                                                       |               |

In PY 2018, the City worked closely with Habitat for Humanity of Greater Sacramento to develop policies, procedures, and an application process to implement the Home Repair Program in accordance with CDBG rules and regulations. Near the end of the program year Habitat opened the application process to eligible Elk Grove residents, including extending the invitation to apply to those on the City's wait list. As applications are reviewed and approved we anticipate repairs to begin in PY 2019.

| 2019  | Seventy-nine curb ramps were constructed or reconstructed based on their condition and location. Accessibility barriers were removed from curb ramps to comply with current Americans with Disabilities Act (ADA) standards. Sidewalks, curbs, and gutters adjacent to the curb ramps also received improvements. |               |  |  |  |
|       | Reported outcomes are persons in affected Census block groups with an ambulatory disability. Per HUD policy, disabled persons are presumed to be low-income.                                                                                                                                                      |               |  |  |  |

Objective: Provide decent affordable housing

8401 Laguna Palms Way Elk Grove, CA 95758-8045 Outcome: Affordability

Matrix Code: Rehab; Single-Unit Residential (14A) National Objective: LMH

Initial Funding Date: 10/28/2019

#### **Description:**

Location:

Provide low-income homeowners in need of critical home repairs with assistance to bring their homes into a safe, habitable condition.

Habitat for Humanity provides loans where qualified homeowners pay 20% of direct costs of the home repair project.

Loans are 0% interest with repayment terms not to exceed 60 months.

Repayment terms are based on total project cost and the homeowner's % of the area median income.

**Accomplishment Narrative** # Benefitting Years

In PY 19 Habitat for Humanity completed one minor home repair project replacing the homeowners roof and gutters. Unfortunately, Habitat for Humanity found the CDBG administrative requirements to be prohibitive and had challenges recruiting applicants with qualifying incomes and types of repairs needed. As a result, they did not meet the expected outcomes and determined they would not continue to operate the program. For the 2020 PY, the City will re-institute the City's Minor Home Repair Program.

Years Accomplishment Narrative # Benefitting

2019 Big Brothers Big Sisters (BBBS) served a total of 42 youth over the course of the year with one-on-one mentoring.

In 2019, results from their Youth Outcome Survey done within the Elk Grove/BBBS partnership showed: 78% improved scholastic competency. Within mathematics specifically, 50% of students had improved grades.

All Littles surveyed were committed to finishing high school.

All youths surveyed reported to have developed stronger social acceptance among peers and 54% gained parental trust.

While BBBS met the goals for services provided under the CDBG, due to changes in Executive Leadership and staffing, they were unable to provide adequate documentation for funding reimbursement. City staff has met with BBBS and will continue to provide technical assistance and training to help resolve prior issues and ensure proper documentation is submitted for future grant allocations.

Sacramento Self Help Housing's Renters Helpline program served 255 Elk Grove households (320 calls) with a telephone and internet-based advice line to counsel, provide dispute resolution, and offer fair housing services to residents in a housing crisis or dispute. The top five complaints/issues in 2019-2020: 1) End of tenancy and evictions - 29% 2) Management Procedures - 27% 3) Property Maintenance - 24% 4) Discrimination - 6% 5) Security Deposit Dispute - 5% and Others - 9%. Management procedures are related to rent increase and other questions about management procedures. Property maintenance are questions and complaints regarding unsafe conditions due to damage and lack of repair or exposure to hazardous conditions that may be code violations. End of tenancy and evictions are questions or complaints regarding the process of ending or potentially ending the tenancy. Discrimination are questions or complaints by renters of protected classes, including request for reasonable accommodations and modifications. Security Deposit Disputes are questions and complaints regarding the payment, refund, written accounting of and any deductions from security deposit. Twenty-three cases were referred to Project Sentinel, a nonprofit partner involved with the Renters Helpline. Of those 21 calls, Project Sentinel investigated 6 cases. Fifteen owner cases were referred to California Apartment Association.

#### **PUBLIC NOTICE**

CITY OF ELKIGROVE #CITY:COUNCIDED BECOMED TO BESTIERED NOTICE OF PUBLIC HEARING STORE PROBLEM STORES

Dated: November 20, 2020

NOTICE is hereby given that on December 9, 2020, at 6:00 p.m., or as soon thereafter as the matter may be heard, the City Council of the City of Elk Grove will hold a Public Hearing at the Elk Grove City Hall City in the Council Chambers, located at 8400 Laguna Palms Way, Elk Grove, to consider the following actions.

#### APPROVAL OF THE 2019-20 CDBG CONSOLIDATED ANNUAL PERFORMANCE AND **EVALUATION REPORT**

Consistent with Executive Order N-29-20 issued on March 17, 2020, and Executive Order N-35-20 issued on March 21, 2020, by the Governor of the State of California, this meeting will be conducted by teleconference only. The meeting location will be the City Council Chambers, but if will not be open to the public. The live meeting can be viewed via the City's http://www.elkgrovecity.org/city\_hall/city\_government/live\_archived\_broadcasts. For information on how to participate in the meeting and how to provide public comment please refer to the agenda posted for this meeting on the City's website at http://www.elkgrovecity.org/city\_hall/city\_government/live\_\_\_archived\_broadcasts\_ or contact the Housing Department at (916) 478-2254 or housing@elkgrovecity.org.

The purpose of this public hearing is to consider the adoption of the 2019-20 Consolidated Annual Performance and Evaluation Report (CAPER) for the Community Development Block Grant (CDBG) program. The CAPER describes the program and activity accomplishments during the 2019-20 program year, in which the City received \$920,953 in federal CDBG funds. The programs and activities that were conducted during the 2019-20 program year include, but are not limited to, sidewalk and curb ramp accessibility improvements, provision of meals for seniors, homeless prevention services, and other social service programs.

The release of this notice is one of the City's activities to fulfill citizen participation requirements. Federal regulations require localities to provide the public with reasonable access to

The public review and comment period will begin November 23, 2020 and will end December 9, 2020. The City of Elk Grove City Council will consider adoption of the CAPER and provide an additional opportunity for public comment at their December 9, 2020 meeting.

The CAPER is available for public review on the City's website at <a href="https://www.elkgrovecity.org/cdbg">www.elkgrovecity.org/cdbg</a> and at the Elk Grove City Hall, 8401 Laguna Palms Way. Copies of the CAPER will be made available upon request and are free of charge. To request a copy please contact the Housing

Department at (916) 478-2254 or housing@elkgrovecity.org.

Due to the closure of public facilities arising from the COVID-19 public health order, the availability to view the draft CAPER at additional public facilities may be limited. If public facilities are open during the review period, copies will also be made available the Elk Grove Public Library, 8900 Elk Grove Boulevard; Franklin Public Library, 10055 Franklin High Road; and the Senior Center of Elk Grove, 8230 Civic Center Drive.

The City of Elk Grove encourages interested parties to participate in public meetings and comment on the issues being discussed. If you wish to provide testimony and are unable to participate in the meeting, written comments that are delivered to the City Clerk's office prior to the time of the hearing will be made a part of the public record. Please consult the agenda for this meeting posted on the City's website at http://www.elkgrovecity.org/city\_hall/city\_government/live archived broadcasts for updated information regarding the meeting format and information on how to submit public comment during the meeting.

Public comment on all aspects of the City's CDBG programs is welcome and may be submitted by mail to Sarah Bontrager, Housing and Public Services Manager, 8401 Laguna Palms Way, Elk Grove, CA 95758 or by phone/email: (916) 627-3209 or sbontrager@elkgrovecity.org

CITY OF ELK GROVE

#### **RESOLUTION NO. 2020-290**

## A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ELK GROVE APPROVING THE FISCAL YEAR 2019-20 CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT (CAPER)

WHEREAS, the City of Elk Grove has applied for and received Community Development Block Grant (CDBG) funds as an entitlement jurisdiction from the Government of the United States under Title I of the Housing and Community Development Act of 1974; and

WHEREAS, the U.S. Department of Housing and Urban Development (HUD) is the federal agency that promulgates regulations and oversees the administration of the CDBG program; and

WHEREAS, HUD requires that entitlement jurisdictions complete an annual evaluation of their grants programs through a report known as the Consolidated Annual Performance and Evaluation Report (CAPER); and

**WHEREAS**, a public notice announcing the availability of the CAPER and the 15-day public comment period for the report was published on November 20, 2020; and

**WHEREAS**, the 15-day public comment period has closed and the CAPER has been considered by the Elk Grove City Council; and

WHEREAS, approval of the CAPER is not subject to the California Environmental Quality Act (CEQA), pursuant to Section 15060(c)(2), as its approval will not result in a direct or reasonably foreseeable indirect physical change in the environment.

**NOW, THEREFORE, BE IT RESOLVED** that the City Council of the City of Elk Grove hereby:

- 1) Approves the Fiscal Year 2019-20 Consolidated Annual Performance and Evaluation Report (CAPER); and
- Authorizes the City Manager to submit the CAPER to the U.S. Department of Housing and Urban Development (HUD); and
- 3) Authorizes City staff to make minor technical modifications and/or necessary corrections to the CAPER as required by HUD.

PASSED AND ADOPTED by the City Council of the City of Elk Grove this 9<sup>th</sup> day of December 2020
