October 5, 2020

To: Utility Companies, Construction Companies, Developers, and House Structure Movers

Subject: Road Closure Moratorium for the Holiday- Reminder Notice

The holiday season is just around the corner, and the City of Elk Grove will institute a construction moratorium on selected City streets from November 23, 2020 through January 2, 2021. Unless specifically approved by the City's Traffic Engineer, all construction activities and house structure moves, occurring between the hours of 8:00 AM and 10:00 PM, that interfere with public traffic on specific City streets (see enclosed table and map) will be restricted. Construction activities and house structure moves pertaining to these specific streets shall be completed prior to the moratorium or be postponed.

Emergency repairs will be allowed, as set forth in Section 7-8.06 of the Standard Construction Specifications. Please send emergency work notifications to epermitsline@elkgrovecity.org and contact Dennis Detlefsen, Public Works Observer, regarding repairs within one hour of your start time at (916) 216-2187.

The City appreciates your cooperation and hopes this reminder will help to minimize scheduling conflicts. If you have construction scheduling difficulties or have questions, please contact Val Brown, Permit Specialist, Public Works at (916) 627-3433.

Sincerely,

A handwritten signature in blue ink that reads "Robert Murdoch". The signature is fluid and cursive, written over a white background.

Robert Murdoch
Public Works Director
