## **City of Elk Grove – City Council**

### **NOTICE OF PUBLIC HEARING**

**NOTICE IS HEREBY GIVEN** that on **Wednesday, May 12, 2021**, at the hour of **6:00 p.m.**, or as soon thereafter as the matter may be heard, the Elk Grove City Council will conduct a public hearing at City Hall in the Council Chambers, 8400 Laguna Palms Way, Elk Grove, California, to consider the following matter:

#### **BICYCLE, PEDESTRIAN, AND TRAILS MASTER PLAN (CITY INITIATED PROJECT):**

The Bicycle, Pedestrian, and Trails Master Plan (BPTMP) of 2021 updates the 2014 plan to establish a long-term vision for improving walking and bicycling in Elk Grove and identifies a short-term action plan of implementable projects, programs, and policies. The BPTMP establishes a strategy to develop citywide walking and bicycling networks that provide access between residential neighborhoods, schools, transit, jobs, and other services. These network improvements are combined with education, encouragement, enforcement, and evaluation programs to provide a holistic approach to improving active transportation in Elk Grove. The BPTMP also identifies a plan to implement these projects and programs through prioritization and phasing to ensure such implementation is manageable and achievable. The actions requested with this recommendation include the following:

- Find the Bicycle, Pedestrian, and Trails Master Plan Project (WAM006) needs no further environmental review under the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15183 (Projects Consistent with a Community Plan, General Plan, or Zoning) and 15162 (Subsequent EIRs and Negative Declarations);
- Approve a General Plan Amendment that provides revisions to the Transportation Network, Figures 3-6, and updates reference to the previous 2014 Bicycle, Pedestrian, and Trails Master Plan;
- Repeal prior versions of the Master Plan: Bicycle, Pedestrian, and Trails Master Plan (adopted in July 2014, as amended); and
- Adopt the Elk Grove Bicycle, Pedestrian, and Trails Master Plan.

The Planning Commission considered this matter at its duly-noticed regular meeting on April 15, 2021 and voted 5-0 to recommend approval to the City Council.

*The proposed General Plan amendment will be considered for approval by City Council as part of a Consolidated General Plan Amendment (GPA 21-2).*
