SUBJECT: Street Maintenance Assessments (additions to City of Elk Grove Street Maintenance District No. 1, Zone 3-AP (Eastern Area) Ballot Proceeding

The purpose of this notice is to provide you with information about the assessment ballot proceeding being conducted by the City of Elk Grove and its effect on real property that you own. Please be advised of the following:

- A hearing will be held on June 26, 2024, at 6:00 p.m., or as soon thereafter as the matter may be heard at the City Hall, 8400 Laguna Palms Way, Elk Grove, California.
- The reason for the assessment is to fund the maintenance and operation of streets serving property proposed to be added to the City of Elk Grove Street Maintenance District No. 1 (the "District").
- The proposed annual assessment at maximum levy is \$212.81 per single family residential unit, \$148.97 per multi family residential unit, and \$3,319.86 per non-residential acre for each parcel with respect to which an application for a building permit has been filed. For fiscal year 2023-24, the assessment is \$195.78 per single family residential unit, \$137.05 per multi family residential unit, and \$3,054.27 per non-residential acre. Such assessment may be increased each year after Fiscal Year 2023-24 based upon the increase in the Engineering News Record Construction Cost Index (ENR-CCI) for the San Francisco Bay Area over the prior year. Your property is expected to have 2.35 non-residential acres at buildout, which would result in a total assessment of \$7,177.53 (plus inflation adjustments) at that time.
- The total amount chargeable to all the property proposed for assessment in this proceeding at buildout would be \$7,177.53 (plus inflation adjustments).
- Assessment duration: in perpetuity.
- How the assessment was calculated: The assessment is apportioned on all assessable lots or parcels proposed for assessment in proportion to the estimated benefits to be received by each lot or parcel. Benefit to any parcel is in proportion

to its number of EDUs when developed. The total estimated costs for operation and maintenance of streets that serve the property is allocable among all parcels in proportion to each parcel's expected EDUs. For additional detail, see the Engineer's Report and relevant supplements.

Enclosed with this notice, you will find an assessment ballot. Please follow the directions on the assessment ballot to express your view on the proposed assessment.

1. Ballots may be mailed or delivered to the City Clerk at any time, but **MUST** be received not later than the conclusion of the public hearing described above. At any time prior to the conclusion of the public hearing, you may withdraw your ballot and submit a changed or new ballot in place of the ballot previously submitted.

2. At the conclusion of the public hearing, the City Clerk will tabulate the ballots received, including those received during the public hearing.

3. The City will not impose the assessment if there is a majority protest. A majority protest exists if, upon the conclusion of the hearing, ballots submitted in opposition to the assessment exceed the ballots submitted in favor of the assessment. Ballots shall be weighted according to the proportional financial obligation of the affected property.
