- The reason for the assessment is to fund the maintenance and operation of storm water drainage systems serving property proposed to be added to the City of Elk Grove Storm Water Drainage Fee Zone 2.

Your property is expected to have parcels comprised of 7.71 non-residential acres, which would result in an estimated assessment of \$1,725.92 per month (plus inflation adjustments) going forward from that time. The fee will adjust annually by a Consumer Price Index (CPI) at the beginning of each fiscal year. As this fee is billed bi-monthly, the fee for every two months in Fiscal Year 2024-25 is an estimated \$3,451.84; and

- How the assessment was calculated:

A single-family residential parcel shall pay a monthly charge equal to the administrative charge + (unit service charge (USC) x each residential dwelling unit). All other nonexempt parcels shall pay a monthly charge equal to the administrative charge + (USC x parcel area in square feet x the impervious factor ÷ number of drainage units per one (1) equivalent residential unit). The number of drainage units per one (1) equivalent residential unit shall be adopted by resolution of the City Council. The initial amount of the administrative charge (the maximum rate for fiscal year 2004 – 2005) is One and 74/100^{ths} (\$1.74) Dollars. The initial amount of the unit service charge (the maximum rate for Fiscal Year 2004 – 05) shall be Ten and 86/100^{ths} (\$10.86) Dollars. “Unit service charge,” for purposes of

this section, means the cost of storm drainage services attributable to storm drainage from one (1) equivalent residential unit. The impervious factors (IF) to be used in the calculations set forth in subsection (C) of this section shall be based on the following table:

Property Category	Impervious Factor
Commercial/office	0.80
Industrial	0.70
High density residential	0.60
Institutional/medium density residential	0.50
Low impervious development	0.10

For purposes of this section, the terms “high density residential” and “medium density residential” have the meanings specified in Elk Grove Municipal Code Title 23.

The maximum administrative charge and unit service charge (USC) will be increased annually as of July 1st, commencing July 1, 2005, by the percentage change in the Consumer Price Index (CPI) – All Urban Consumers for the San Francisco-Oakland-San Jose areas. [Ord. 11, 2010 §3, eff. 6-25-2010]

Enclosed with this notice, you will find an assessment ballot. Please follow the directions on the assessment ballot to express your view on the proposed assessment.
