3.0 APPROVAL OF PAST MEETING MINUTES

None

4.0 REGULAR AGENDA ITEMS/POSSIBLE RECOMMENDATIONS

4.1 SUBJECT: Rapid Flashing Beacons for WAM038 Project

Christina stated that the four new installations are all adjacent to schools. They're standard setups and are adherent to the Manual on Uniform Traffic Control Devices (MUTCD). She stated that it's currently at the 35% design status. She also stated that it's currently fully funded and hoping to start construction this fall. Christina stated that actual installation only takes a few days for each crossing. Steve asked what the process is for lowering the speed limit on a road, specifically Bilby. Christina said there's a developer looking to have a section south of Bilby annexed into the City. Because there will have more roads going into it, the road speed will have to be slowed. Ann asked if there were any plans to build a sound wall on West Stockton north of the casino because at night, headlights of vehicles going North on 99 make it look like the cars are heading directly towards those going South on Stockton. Christina mentioned that West Stockton there is going to eventually be re-routed. Bruce asked what are future plans past 4 crosswalks. Christina said the City applies for this same grant every year it's offered, which is usually every other year.

5.0 GENERAL ADMINISTRATIVE UPDATE

Jim went over decorum expectations for the committee.

Jim advised the committee on any recent ADA grievances the City has received.

6.0 COMMITTEE COMMENTS/FUTURE AGENDA ITEMS

Steve asked to have someone talk to the Committee about how Prop 1 will affect the City.

7.0 ADJOURNMENT

Bruce moved to adjourn at 7:00 pm. Steve seconded the motion. Motion passed unanimously.
