eTrakit Online Building Permits & Inspections

The City of Elk Grove's Building Safety & Inspection Division is now offering online building permit processing, inspection scheduling, inspection status checks, and the viewing of daily scheduled inspections.

If you are a licensed contractor, you must first register with the Building Department to use our eTrakit online portal. You can register using the link below:

https://cityofelkgrove.formstack.com/forms/contractor_online_inspection_registration_form

You will receive an email confirmation after you've submitted the registration form. Please allow up to 48 hours for processing. Once registered, you will receive an email providing you with a Username and directions on how to access the site.

All other applicants can register for a public account through the eTrakit online portal. You can register using the link below:
