ARTICLE V – SALARY AND OTHER COMPENSATION

1. General Salary Increases and Market Salary Adjustments

A. 2024-25 Salaries

Effective the later of the first full pay period following adoption or the first full pay period in July 2024, the City shall provide all bargaining unit members a 2.4% General Salary Increase and a 3.43% Market Salary Adjustment, for a total increase of 5.83%.

B. 2025-26 Salaries

The City will conduct a Market Study pursuant to Section V.8 to be completed in March of 2025.

Effective the first full pay period in July 2025:

1) General Salary Increase.

Each employee in a classification which was less than five percent (5%) above or below the 80th percentile in the 2025 Total Compensation Survey will receive a General Salary Increase equal to the twelve-month increase in the consumer price index (CPI-U San Francisco-Oakland-San Jose) measured from February 2024 to February 2025. However, the increase shall be no less than two percent (2.0%) and no more than four percent (4%) (i.e., CPI 2-4%).

2) Market Salary Adjustment.

- a. Any salary range that was five percent (5%) or more below the 80th percentile in the 2025 Total Compensation Survey, shall receive a market salary adjustment of $\frac{1}{2}$ the excess beyond five percent (5%), plus the July 2025 GSI in Paragraph (1), above. For example, if the Police Lieutenant classification is 6.78% below the 80th percentile, the Police Lieutenant salary range shall be increased by 0.89% (i.e., $(6.78-5)/2 = 0.89\%$).

- b. However, if the 2025 Total Compensation Survey performed pursuant to Section V.8 results in a Market Salary Adjustment which is less than the Market Salary Adjustment provided to the Police Sergeant classification in July 2025, the Lieutenant classification shall receive the same Market Salary Adjustment as the Sergeant. For Example, if the Police Lieutenant classification is 5.4% below the 80th percentile and the Police Sergeant classification is 6.78% below the 80th percentile, Police Lieutenant salary range shall be increased by the 0.89% Market Salary Adjustment established by the Police Sergeant survey, rather than the 0.2% Market Salary Adjustment established by the Police Lieutenant Survey.

3) Supplemental Pay.

Each employee in a classification which was five percent (5%) or more above the 80th percentile in the 2025 Total Compensation Survey will receive the equivalent of the July 2025 GSI in Paragraph (1), above as follows: one percent (1%) as a GSI and the remainder as a supplemental payment. For example, if the GSI is 4%, the employee will receive a 1% GSI and the Supplemental Pay will be equivalent to 3%.

- 4) Supplemental Pay will be paid in the form of Additional Paid Leave. Additional Paid Leave may be used as normal discretionary leave – however, all other discretionary leave (i.e., vacation and compensatory time off) must be used before the use of Additional Paid Leave. Additional Paid Leave will be granted on the same paycheck as the Market Salary Adjustment. Any accrued but unused Additional Paid Leave will be cashed out on the pay period including August 31 of that same calendar year.

C. 2026-27 Salaries

Effective the first full pay period in July 2026:

1) General Salary Increase.

Each employee in a classification which was less than five percent (5%) above or below the 80th percentile in the 2025 Total Compensation Survey will receive a General Salary Increase equal to the twelve-month increase in the consumer price index (CPI-U San Francisco-Oakland-San Jose) measured from February 2025 to February 2026. However, the increase shall be no less than two percent (2.0%) and no more than four percent (4%) (i.e., CPI 2-4%).

2) Market Salary Adjustment.

- a. Any salary range that was five percent (5%) or more below the 80th percentile in the 2025 Total Compensation Survey, shall receive a market salary adjustment of $\frac{1}{2}$ the excess beyond five percent (5%), plus the July 2025 GSI in Paragraph (1), above. For example, if the Police Lieutenant classification is 6.78% below the 80th percentile, the Police Lieutenant salary range shall be increased by 0.89% (i.e., $(6.78-5)/2 = 0.89\%$).

- b. However, if the 2025 Total Compensation Survey performed pursuant to Section V.8 results in a Market Salary Adjustment which is less than the Market Salary Adjustment provided to the Police Sergeant classification in July 2026, the Lieutenant classification shall receive the same Market Salary Adjustment as the Sergeant.

3) Supplemental Pay.

Each employee in a classification which was five percent (5%) or more above the 80th percentile in the 2025 Total Compensation Survey will receive the equivalent of the 2026 GSI in Paragraph (1), above as follows: one percent (1%) as a GSI and the remainder as a supplemental payment. For example, if the GSI is 4%, the employee will receive a 1% GSI and the Supplemental Pay will be equivalent to 3%.

Supplemental Pay will be paid as described in Section V.1.B(4).

2. Promotion

- A. Upon promotion to Lieutenant the employee will be placed at the next highest step of the new classification no less than five percent (5%) above their prior base salary with incentives, excluding Master Degree.
- B. All other classifications will receive the salary step of the new classification of no less than 5%.
- C. Upon promotion to Lieutenant all banked compensatory Time off (CTO) and Holiday in Lieu (HIL) will be cashed out to the employee at the pay rate prior to the promotion in either direct or deferred compensation.

A promotion is defined as moving from one classification to another classification where the top step salary of the new classification exceeds the top step salary of the previous classification. Employees who are promoted will serve a 12-month probationary period.

3. Demotion

- A. Upon demotion, the employee will go to the same step as they had in their previous classification prior to the demotion. Employees who are being demoted and have not held a previous classification with the City will be placed at the same step in the new classification as that held in the previous classification.
- B. A demotion is defined as moving from one classification to another where the top step salary of the new classification is less than the top step salary of the previous classification.

4. Annual Performance Evaluation Date

The annual performance evaluation date will change to correspond to the effective date of the promotion or demotion.

5. Merit Increases

Each employee shall receive an annual performance evaluation to assess the efficiency, competence, conduct, and merit of his/her work performance. The annual performance evaluation shall be completed not less than ten (10) calendar days prior to the employee's anniversary date each year. Each employee who receives an average score of 3.0 or greater

shall advance to the next step on the salary schedule. Each employee who receives an average score of 2.9 or less on his or her performance evaluation shall not advance to the next higher step in the salary range. Any employee receiving an average score of 2.9 or less on an annual evaluation shall be re-evaluated no later than six (6) months after the employee's annual performance evaluation date. If the employee attains an average score of 3.0 or greater on the interim evaluation, the employee shall then advance to the next step in the salary range. Any advancement to a higher step after a successful interim evaluation shall not be retroactive. Any employee not receiving an average score of 3.0 or greater on the interim evaluation shall not be eligible for a step increase until his or her next anniversary date. No salary step advancements shall be granted unless recommended by the Police Chief and approved by the City Manager. An employee who attains an average score of 3.0 or greater shall only be denied a salary step advancement in the case of an unforeseen economic downturn, including but not limited to aggregate declines in sales tax, property tax, vehicle licensing fees, utility users tax, and transient occupancy tax. In the event of an unforeseen economic downturn, the City and EGPMA agree to meet and confer regarding alternatives to the denial of salary step advancements. If the Police Chief and/or City Manager deny a salary step advancement for any employee who receives an average score of 3.0 or greater, for any reason other than an unforeseen economic downturn, then the employee shall receive the reason for such denial in writing.

6. Education Incentive Pay and POST Certificate Pay

A. Education Incentive Pay

The City shall pay five percent (5%) for a Master of Arts or Master of Science degree (earned from an accredited college or university).

B. POST Certificate Pay

The City shall pay five percent (5%) for a Management POST Certificate.

C. The cumulative percentage shall not exceed ten percent (10%). These incentive pays shall be considered PERS reportable compensation.

D. When an employee qualifies for the education incentive or the POST certificate pay referenced above, such additional compensation shall be based on the amount of the pay differential multiplied by the employee's salary step. Education Incentive Pay and POST Certificate Pay shall not compound. Education Incentive Pay and POST Certificate Pay shall be effective the beginning of a pay period after the necessary paperwork has been submitted to and verified by the Human Resources Department.

7. Deferred Compensation

The City shall make a matching contribution into the 401(a) plan of up to three percent (3%) of the employee's salary, subject to maximums set by law.

8. Market Study

A. The City will conduct a total compensation market study for the Lieutenant and Captain classes.

- B. The study shall be completed no later than April 30th of the year in which labor negotiations are conducted. The purpose of this study is to determine the competitiveness of total compensation paid to the classes listed above in the market.
- C. Upon completion of this market study the City and PMA agree to meet to review study findings. Study findings shall be used by the parties in negotiations over a successor Agreement.
- D. The following agencies will be surveyed and shall constitute the market:

- County of Sacramento
- City of Antioch
- City of Citrus Heights
- City of Davis
- City of Fairfield
- City of Folsom
- City of Lodi
- City of Rocklin
- City of Roseville
- City of Sacramento
- City of Tracy
- City of Vacaville

Total compensation for each agency listed above for all classifications (where applicable) shall be the monthly sum of:

Top step in the salary range, maximum deferred compensation, Education Incentive, POST Certification Pay, employer paid employee share of retirement contribution, employer portion of retirement paid by the employee, social security, uniform allowance, employer contribution towards health insurance, dental insurance, vision insurance, life insurance, and long-term disability insurance. In recognition of the elimination of Holiday in Lieu Pay identified in Article VII, the top step salary for Elk Grove Lieutenants and Captains reported in the survey will be reduced by 5% (i.e., the reported top step salary will be 0.95*top step).

ARTICLE VI -- RETIREMENT

This payment shall be done on a pre-tax basis consistent with IRS code 415(h) (2).

ARTICLE XI -- GRIEVANCE PROCEDURE

1. Definition

The term "Grievance" as used in this Agreement is limited to a complaint by an employee, group of employees, or the EGPMA which involves the interpretation, application, or compliance with the provisions of this Agreement. If a matter is subject to the discipline procedure (Article XII) of this Agreement, it shall not also be subject to this grievance procedure.

Subject also to the limitations set forth in the preceding paragraph, the EGPMA shall have standing to grieve only the following matters. This shall be an exclusive list of matters that may be grieved by the EGPMA and, if a matter is not listed below, it shall not be grievable by the EGPMA.

- (a) All matters relating to EGPMA rights or prerogatives or on matters relating to the EGPMA's business relationship with the City.
- (b) On behalf of former City employees regarding their termination rights and benefits.
- (c) Where the EGPMA determines that there is a substantial noncompliance with an otherwise grievable matter where no specific employee directly affected by an interpretation or application of the City affecting otherwise grievable terms and conditions of employment.
- (d) Where a grievance filed by an employee representing himself/herself or having a representative other than the EGPMA is resolved in a manner the EGPMA believes to be inconsistent with the Memorandum of Understanding.

- (e) Where the EGPMA believes an individual employee is being denied rights under the MOU but the individual declines to file a grievance. In this case, the individual must be named.

2. Time Limits

Grievances not presented within the time limits established for each step of this procedure shall be waived and shall not be considered. Should the City fail to answer within the established time limits, the grievance may be processed to the next level.

When “days” are used in this section for the purposes of establishing time limits, those limits will be presumed to have been met when the appropriate forms are either personally delivered to the affected party or deposited in the U.S. mail, as evidenced by the appropriate postmark.

Notwithstanding any of the provisions herein, time limits may be extended and steps of the grievance process may be waived by mutual written agreement of the parties.

3. Presentation

An employee and/or EGPMA representative may present a grievance while on duty, provided such presentations and discussions do not disrupt City operations and are kept to a reasonable minimum.

4. Procedure

All grievances as defined herein shall be processed in accordance with this procedure. All grievances, beginning at Step 2 shall be filed on forms provided by the City for that purpose. The City may refuse to consider a grievance in those circumstances where the aggrieved party has not followed this procedure. However, steps of the grievance procedure may be waived by written mutual agreement between the parties.

Step 1: Within fifteen (15) days of the act(s) and/or omission(s) giving rise to the grievance or within fifteen (15) days of the time the employee or EGPMA should reasonably have been aware of said act(s) and/or omission(s), the grievance shall be discussed informally with the person or persons most directly responsible for the circumstances which gave rise to the grievance. If the grievance is not resolved within fifteen (15) days of the date on which it is first presented at Step 1, the grievant may proceed to Step 2.

Step 2: Within fifteen (15) days of receipt of the Step 1 response, or if no response is given, within thirty (30) days of Step 1 meeting the grievant, if still dissatisfied, shall file with the Police Chief, a formal written grievance. The formal grievance shall contain a concise description of the concern, the section(s) of the Memorandum of Understanding at issue and/or alleged to have been violated, the proposed remedy, the date the grievance was filed, and the signature of the person filing the grievance. Within fifteen (15) days of the receipt of the formal grievance the Police Chief shall meet with the grievant to discuss the matter. The Police Chief shall respond to the grievant, in writing, within fifteen (15) days of the Step 2 meeting. The Step 2 response shall include the position of the Police Department and the reasons therefore, as related to the grievance.

Step 3: Within fifteen (15) days of the Step 2 response or, if no Step 2 response is received, within thirty (30) days of the Step 2 meeting, the grievance may be presented in writing to the City Manager. The City Manager shall conduct such investigation as he/she deems appropriate and shall issue a written determination within thirty (30) days of the date on which

the grievance is first presented at Step 3. If the City Manager fails to issue a written determination within the prescribed period of time or if the determination is not satisfactory to the grievant, the EGPMA may request that the matter be submitted to binding arbitration. The City Manager shall be the final level of appeal for grievances not represented by EGPMA.

Step 4 – Arbitration: If the EGPMA and the City are unable to reach a mutually satisfactory resolution of the grievance through the lower steps of the grievance procedure, or if there is a dispute as to whether or not the grievance meets the definition of grievance under paragraph 1 of this section, the EGPMA may submit the dispute to an impartial arbitrator for resolution. The following process shall be followed:

- (a) A request for binding arbitration shall be made in writing by the EGPMA to the Human Resources Department within fifteen (15) days of the date which the EGPMA received a copy of the written determination of Step 3, or in the event that no Step 3 response is received, within forty-five (45) days of the date of the Step 3 meeting.
- (b) Failure to pursue arbitration pursuant to the timelines outlined in this section shall constitute an abandonment of the grievance.
- (c) An arbitrator may be selected by mutual agreement between the parties. However, should the parties fail to voluntarily agree upon an arbitrator, the parties shall make a joint request to the American Arbitration Association. The parties shall request a list of seven (7) qualified arbitrators. Each party shall alternately strike one name from the list and the last remaining name shall serve as arbitrator. The first party to strike a name shall be determined by the drawing of the names of the parties.
- (d) The arbitrator's decision shall be final and binding on the parties to the grievance. No appeal or judicial review of the arbitrator's decision shall be available except as permitted by Code of Civil Procedure section 1286.2. The parties may also petition the court to confirm the arbitrator's decision as a judgement pursuant to Code of Civil Procedure section 1285, et seq.
- (e) No arbitrator shall entertain, hear, decide, or make recommendations on any dispute unless such dispute involves a position within the bargaining unit represented by the EGPMA and unless such dispute falls within the definition of grievance as set forth in paragraph 1 of this section. Any dispute as to arbitrability shall be decided prior to any hearing on the merits unless the arbitrator rules that the issues are not separable. Whenever possible, a bench arbitrability decision shall be issued immediately.
- (f) The arbitrator shall have no power to amend or modify this Agreement.
- (g) The City and EGPMA shall exchange witness lists seven (7) calendar days prior to arbitration hearings. Should it become necessary to supplement the list(s), the other party will be notified as soon as possible.
- (h) All fees and costs of the arbitrator and/or the American Arbitration Association shall be shared equally by the parties. The parties shall bear their own attorney fees, costs and other legal expenses.

- (i) The arbitrator shall make an appropriate record of the proceedings. There shall be no stenographic record of the proceedings unless required by the arbitrator or requested by either party at the requesting party's expense.
- (j) The hearing shall be conducted by the arbitrator in whatever manner will most expeditiously permit full presentation of the evidence and arguments of the parties. The arbitrator shall have authority to decide matters of discovery and the issuance of subpoenas. Normally, the hearing shall be completed within one day. In unusual circumstances and for good cause, the arbitrator may schedule an additional day of hearing to be held within seven (7) days. Unless otherwise agreed by the parties or ordered by the Arbitrator, good cause having been shown, the arbitration shall take no more than two (2) days.
- (k) There shall be no post hearing briefs unless required by the arbitrator.
- (l) The award shall be rendered promptly by the arbitrator and, unless otherwise agreed by the parties, no later than seven (7) days from the date of the close of the hearing.
- (m) The award shall be in writing, signed by the arbitrator, and shall include an explanation in support of the award.
- (n) A copy of all formal grievance decisions shall be forwarded to the grievant, Human Resources, and the EGPMA.

5. Consistent Awards.

No settlement or award shall be made under the grievance procedure which is inconsistent with the terms and conditions of this Memorandum of Understanding or any other City law, ordinance, resolution, regulation or rule that is not superseded by the Memorandum of Understanding.

ARTICLE XII – DISCIPLINE PROCEDURE

1. Policy

It is the policy of the City that discipline of City employees be imposed on an appropriate and consistent basis and in compliance with the Public Safety Officer's Procedural Bill of Rights. When an employee engages in misconduct or when job performance is unsatisfactory in the judgment of the City, disciplinary action may be initiated. This article modifies disciplinary procedures identified in the City of Elk Grove Personnel Rules and Regulations ("Personnel Rules").

2. Definition

As used herein, "disciplinary action" means written reprimand, suspension without pay, reduction in salary, transfer for purposes of punishment, demotion, or dismissal, except that Section 7 (Skelly Meetings) and Section 8 (Appeal of Disciplinary Action) shall not apply to written reprimands.

3. Persons Authorized to Initiate Disciplinary Action

Discipline may be initiated by those authorized in the Personnel Rules.

4. Application of Disciplinary Appeal Procedure

- A. Permanent Status: The disciplinary appeal procedure shall only apply to employees with permanent status with the City.
- B. Employees in probationary status shall have no right to grieve or arbitrate release from probationary appointment.
- C. Employees in a temporary position shall have no right to grieve or arbitrate release from temporary appointment.
- D. Employees who are working in a temporary out-of-class assignment shall have no right to grieve or arbitrate release from the temporary out-of-class assignment.
- E. A written reprimand shall be appealable within ten (10) days of receiving the written reprimand. The Police Chief or his/her designee shall serve as hearing officer for the administrative appeal. The administrative appeal shall serve as the employee's opportunity to refute the allegations giving rise to the written reprimand. The hearing officer shall have the ability to sustain, modify, or withdraw the written reprimand. The hearing officer's decision shall be final and not subject to further appeal.
- F. Upon the request of an employee, a written reprimand shall be removed from an employee's personnel file after two (2) years from the original date of issuance; provided, however, that the employee has not been subject to disciplinary action during the two (2) year period.
- G. A counseling memorandum, letter of instruction or similar action shall not be considered formal disciplinary action. Such measures shall be considered corrective action. The Police Chief may issue General Orders defining corrective action measures and identify those management personnel who can issue such measures. Corrective action may not be appealed beyond the Police Chief.

5. Cause for Disciplinary Action

Discipline shall be for cause. The list of causes for disciplinary action contained in the Elk Grove Police Department Policies and Procedures, Section 340, constitutes a portion of the disciplinary standards of the Police Department. This list is not intended to cover every possible type of misconduct and does not preclude the recommendation of disciplinary action for specific action or inaction that is detrimental to efficient department service.

6. Preliminary Notice of Proposed Discipline

A copy of the proposed discipline shall be served upon the employee either personally, or by first class mail and certified mail, return receipt requested, to the last known address of the employee. The last known address shall be deemed to be the address that is within the employee's official personnel file. If notice is provided by mail, the employee shall be deemed to have received notice ten (10) work days after the date of mailing.

The notice of proposed discipline shall include:

- (1) A statement of the nature of the disciplinary action;
- (2) The effective date of the disciplinary action;

- (3) A statement of the cause(s) for disciplinary action, citing the item(s) under paragraph 5 of this section which have been violated;

- (6) The name and address of the person to whom all written communication regarding this appeal shall be sent.

7. Skelly Meeting

An employee who is subject to disciplinary action shall have the option, within seven (7) days after receiving a Notice of Proposed Discipline to participate in a Skelly meeting. The proposed discipline shall become final if the employee fails to participate in the Skelly meeting.

The City shall appoint a Skelly Officer. The Skelly Officer shall meet with the employee and the employee's representative, if any, listen to arguments and receive documents presented by the employee. Within ten (10) days and in writing, the Skelly Officer shall respond to the employee and the employee's representative, if applicable. The Skelly Officer may revoke, modify, or sustain the proposed discipline.

If the proposed discipline is sustained or modified by the Skelly Officer, the disciplinary action shall be implemented. A final Notice of Disciplinary Action shall be implemented. A final Notice of Disciplinary Action shall be served in the same manner as the Notice of Proposed Discipline.

Upon mutual written agreement, the employee and the City may agree to modify the time lines contained in this subsection.

8. Appeal of Disciplinary Action

- A. Within ten (10) work days after receipt of the final Notice of Disciplinary Action, the disciplinary action may be appealed to arbitration. Notice of the appeal must be filed with the Human Resources Department. Failure to appeal shall constitute an exhaustion of administrative remedies and there shall be no further appeal before any court, administrative tribunal or any other forum on any legal theory or basis.
- B. An appeal of a disciplinary action to arbitration is a complaint of a permanent employee of whether there was cause for the disciplinary action taken against the employee.
- C. The parties to the discipline hearing and to the selection of the arbitrator shall be the employee or his/her representative, and the City.
- D. An arbitrator may be selected by mutual agreement between the parties. However, should the parties fail to voluntarily agree upon an arbitrator, the parties shall make a joint request to the American Arbitration Association. The parties shall request a list of seven (7) qualified arbitrators. Each party shall alternately strike one name from the list and the last remaining name shall serve as arbitrator. The first party to strike a name shall be determined by the drawing of the names of the parties.

- E. The fees and expenses of the arbitrator and/or the American Arbitration Association shall be shared equally by the EGPMA and the City, in the event the employee subject to the disciplinary action is represented by the EGPMA. In the event the employee subject to the disciplinary action is not represented by the EGPMA, the City shall pay the fees and expenses of the arbitrator and/or the American Arbitration Association. The parties shall bear their own attorney fees, costs, and legal expenses.
- F. The arbitrator shall set the date, time and place of the hearing not later than thirty (30) calendar days after selection of the arbitrator. Notice of the date, time and place of the hearing must be given by the arbitrator at least five (5) days in advance. Such notice may be given orally, by facsimile, or electronic mail.
- G. The employee shall be entitled to appear personally at the hearing and produce evidence.
- H. There shall be no stenographic record of the proceedings unless required by the arbitrator.
- I. The hearing shall be conducted by the arbitrator in whatever manner will most expeditiously permit full presentation of the evidence and arguments of the parties. The arbitrator shall make an appropriate record of the proceedings. Normally, the hearing shall be completed within one day. In unusual circumstances and for good cause, the arbitrator may schedule an additional day of hearing to be held within seven (7) days.
- J. There shall be no post hearing briefs unless required by the arbitrator
- K. The award shall be rendered promptly by the arbitrator and, unless otherwise agreed by the parties, no later than seven (7) days from the date of the close of the hearing.
- L. The award shall be in writing, signed by the arbitrator, and shall include a brief explanation in support of the award.
- M. The arbitrator's decision shall be final and binding on the parties. No appeal or judicial review of the arbitrator's decision shall be available except as permitted by Code of Civil Procedure section 1286.2. The parties may also petition the court to confirm the arbitrator's decision as a judgement pursuant to Code of Civil Procedure section 1285, et seq.

ARTICLE XIII – REDUCTION IN FORCE

1. Layoff

When it becomes necessary due to lack of work, lack of funds, or in the interest of economy, to reduce the number of command positions in the Police Department, the City shall determine the number of position(s) in each classification to be eliminated. The order in which employees will be laid off within each classification affected by the layoff shall be based on seniority.

2. Order of Layoff

A. Should it become necessary to lay off employees, the City will give notice to the EGPMA prior to implementing the layoff and, upon request, shall meet with the EGPMA in good faith regarding the impact of the layoff. Unless agreed otherwise, employees in each

affected classification shall be laid off in the following order until the required number of positions has been eliminated:

- (1) Any temporary, seasonal, part-time, probationary, or provisional appointments;
 - (2) Employees serving in a regular part-time position;
 - (3) Probationary employees in reverse seniority order;
 - (4) Permanent employees (employees who have completed probation in their current classification), in reverse seniority order.
- B. Employees off work on approved leave (workers compensation, disability leave, etc.) who are identified for layoff shall be laid off in the same manner as if the employee was on active duty.
- C. Should it become necessary to lay off permanent employees with the same seniority, the City Manager shall determine which individual to lay off based on efficiency and effectiveness.
- D. Nothing in this section shall delay or limit the City's right to lay off employees.

3. Seniority Defined

For employees hired or promoted into a classification on or after July 1, 2011, seniority shall be defined as the cumulative time in rank (position) since the date of most recent appointment to the position. (Attachment A)

4. Notification

Employees to be laid off shall be given written notification by the City of such action. Whenever possible, such notification shall be given a minimum of thirty (30) calendar days prior to the effective date of the layoff. At its discretion, the City may also issue preliminary written layoff notices.

5. Employee Options

Employees laid off shall have any of the following choices:

- A. Any employee who is scheduled for lay off shall have the right to demote to a subordinate sworn rank ("classification") within the bargaining unit, thus displacing the person with the least seniority in that classification. If there are two or more subordinate sworn ranks, the employee shall be demoted to that classification that has the highest salary. Employees who exercise this option shall be placed on an eligibility list for reinstatement to the higher classification for two (2) years. Ranking on the reinstatement list shall be by the employee's seniority in the higher classification. All employees on the list, who are still employed by the City of Elk Grove, shall be reinstated to the higher classification before any new promotions can be made to that classification.
- B. If there is no vacancy in the classification, and the demoting employee has less seniority than all other employees in that classification, the above process shall

continue until the demoting employee either reaches a classification in which there is a vacancy, or in which the employee is not the least senior employee in that classification, or the employee is laid off from employment.

- C. An employee who is least senior in a classification in which there is no vacancy and to which another employee demotes from a higher classification, shall be laid off from that classification and shall have the same right to demote as does any other employee who is laid off.
- D. An employee demoted under this procedure shall be deemed to have exercised the employee's right to demote and to have accepted each demotion, subject to the employee's right to resign from employment.
- E. An employee who is demoted from a classification in which the employee holds permanent status shall be deemed for all purposes to have been laid off from each class from which the employee subsequently demotes or is displaced, including classes which the employee passes through because of the absence of a vacancy and insufficient seniority to occupy a position.
- F. If the employee held permanent status in any position within the City of Elk Grove, but was in a probationary status in the higher classification at the time of lay off, the probationary status shall resume upon reinstatement with full credit for previous time served in that classification.

6. Reemployment

The names of employees laid off in accordance with provisions of this section shall be placed on a reemployment list. Names shall be placed on a classification reemployment list in order of seniority. In the event that a person on layoff declines reemployment to a vacant position or cannot be contacted through telephone and certified mail within fifteen (15) working days, such person's name shall be removed from the reemployment list.

A reemployment list will remain in effect for two (2) years unless specifically extended, or sooner exhausted. Upon reinstatement an employee will be eligible for all benefits acquired by the employee prior to the layoff, including Annual Leave accrual rates and seniority. An employee shall not receive credit for time spent on layoff in computing time for any benefit entitlement or seniority.

7. Appeals

Interpretations of the provisions of this section may be appealed through the grievance procedure of this Agreement. Such grievances must be filed within five (5) work days of written notification of the proposed layoff. For the purpose of appealing interpretations of this section, grievances shall be filed directly with the Human Resources Director. The filing of a grievance shall not prevent the City from implementing the layoff. The reasons or necessity for the layoff shall not be subject to the grievance procedure or appeal.

8. Alternatives to Layoff

The City agrees to notify EGPMA of its intent to lay off employees in the Police Department prior to sending final written layoff notices to impacted employees. The City and EGPMA agree to meet and confer on the impacts of layoff, as well as meet and discuss alternatives to layoff, including but not limited to, voluntary employee furloughs, mandatory employee

furloughs, salary reductions, benefit reductions and other cost savings measures. The City agrees to notify EGPMA of the amount of any funding shortfall and the amount of the budgetary savings necessary to mitigate the need to lay off employees. EGPMA agrees to present any alternative to layoff proposed by the City to the EGPMA for consideration.

Nothing in this section shall delay or limit the City's right to lay off employees.

ARTICLE XIV – EMPLOYEE PERFORMANCE EVALUATION

1. Performance Evaluation

Regular employee performance evaluations shall be made as to the efficiency, competence, conduct and merit of City employees. The preparation and use of employee performance evaluations are for the mutual benefit of the City and the effective development of the employee to achieve desired job or career goals. Performance evaluations should be used to identify specific strengths and weaknesses in the employee's job related performance; to acknowledge the merit of above standard performance; and to prescribe the means and methods of upgrading deficiencies to a required or desired level of performance.

2. Authority to Prepare Performance Evaluations

Performance evaluations shall be made on a form prescribed by the City. The Police Chief shall prepare or delegate the preparation of performance evaluations to subordinate supervisors who are most familiar with the work of the employee to be evaluated. The Police Chief shall review and approve all performance evaluations of departmental personnel prior to review with the affected employee.

3. Frequency and Distribution of Performance Evaluations

- A. Employee performance evaluations shall be prepared for probationary employees at least every three (3) months during the probationary period.
- B. For regular full time employees, a performance evaluation shall be completed every year on the employee's anniversary date (original date of hire into the employee's current classification). In addition, a performance evaluation may be prepared at any time at the reasonable request of the employee or at the discretion of the employee's supervisor, when it is deemed to be necessary and appropriate.
- C. Performance evaluations shall be prepared with a copy to the employee and the employee's department file. The original shall be forwarded to the Human Resource Department for review and retention in the employee's official personnel file.

4. Review with the Employee

Each performance evaluation shall be thoroughly discussed with the employee to point out areas of successful performance and areas that need improvement or are unacceptable. Employees shall also be encouraged to comment about their work performance, either in a written statement attached to the report or verbally. The employee shall sign the performance report to acknowledge awareness of its contents and discussion of the report with the evaluator. The employee's signature does not necessarily mean that the employee fully agrees with the contents of the report and may so state on the report before signing.

ARTICLE XV – MISCELLANEOUS

1. Voluntary Wellness Program

The City of Elk Grove shall provide a Voluntary Wellness Program. The purpose of the program is to encourage the proper physical conditioning and health of sworn personnel. The Police Department shall determine specific procedures and policies to implement this program. A key element shall include regular exercise programs.

2. Personnel Rules

The parties agree that personnel rules, policies and procedures governing matters not covered by this Memorandum of Understanding or rules, policies and procedures implementing this Memorandum of Understanding shall continue in full force and effect unless modified by the City. The City agrees to notify EGPMA in advance of any change to City personnel rules, policies and procedures, and to meet and confer over the impact of such changes prior to implementation.

Should any provision of this Memorandum of Understanding alter or conflict with any city rule, policy or procedure, this Memorandum of Understanding shall be controlling and supersede said City rule, policy or procedure, or parts thereof.

3. Meeting and Confering During Term of Memorandum of Understanding

During the term of this Memorandum of Understanding, representatives of the City and the EGPMA may meet and confer on matters of mutual concern. Agreements reached between the parties shall be memorialized in writing and be deemed a “Side letter Agreement” to this Memorandum of Understanding.

The City Manager is authorized to enter into a Side Letter Agreement on behalf of the City for purposes of the interpretation or administration of this Memorandum of Understanding.
