REASONS WHY THIS PROJECT IS EXEMPT OR DOES NOT REQUIRE FURTHER ENVIRONMENTAL DOCUMENTATION:

CEQA requires analysis of agency approvals of discretionary "Projects." A "Project," under CEQA, is defined as "the whole of an action, which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment" (State CEQA Guidelines Section 15378). The proposed Project is a project under CEQA.

Staff has determined that the Project is exempt from CEQA pursuant to State CEQA Guidelines Section 15301 (Existing Facilities). Section 15301 applies to projects that consist of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. The Project involves façade improvements to repaint an existing commercial building in Old Town Special Planning Area with no expansion of use or other physical site improvements.

All public services and facilities are available, and the area is not considered environmentally sensitive. Staff reviewed the proposed Project and did not find any evidence that special circumstances exist that would create a reasonable possibility that the proposed Project will have a significant adverse effect on the environment. Therefore, the proposed Project qualifies for the exemption under State CEQA Guidelines Section 15301.
