Standards Update Transmittal

Reference Number: 2021-01
Standard: Standard Drawings
Section: T-2

Update:

1. Standard Drawings:
 - a. T-2 PREFORMED RUBBERIZED SPEED CUSHION LAYOUT ...: remove standard drawing from the City Standard Drawing set. The City no longer accepts preformed rubberized speed bumps due to maintenance issues.

Effect of Update:

1. The removal of this Drawing will prevent the pre-formed rubberized speed bumps from constructing on City streets.
