
Shoplifting Program

411.1 PURPOSE AND SCOPE

The Shoplift Program was developed to alleviate the need to dispatch patrol personnel to all incidents where subjects are apprehended by Loss Prevention Officers for the crime of petty theft (also referred to as shoplifters).

It is the purpose of this policy to describe the Shoplifting Program and to identify procedures to determine when to dispatch patrol personnel to reports of petty theft at businesses that are part of the Shoplifting Program.

All businesses that are part of the Elk Grove Police Department's Shoplifting Program are identified in a Memorandum of Understanding (MOU) where guidelines and expectations between the police and businesses are further detailed (refer to Shoplifting Program MOU for further).
